Guilford County Commissioners
Post Office Box 3427
Greensboro, NC 27402

Dear Guilford County Commissioners,

Please add the following amendment to the Guilford County Comprehensive Master Plan for Recreation. We appreciate your support in this effort which we hope will assist us in being awarded future grants for facility construction that will benefit the citizens of Guilford County. We appreciate your past and future support.

Sincerely,
Mike Dupree
Director of Parks and Recreation
Town of Gibsonville

Guilford County Comprehensive Master Plan Amendment

Town of Gibsonville

Purchase additional park land for athletic field construction, trails and open space.

Due to increased numbers of participants, the Town of Gibsonville will need to acquire additional land in order to accommodate current and future growth. The acquired property will be used to construct a large multi-purpose field, lights, parking and restrooms. Additional uses will be determined based on future trends as well as public input. If possible, property adjacent to The William F. Moricle Recreational Complex or Edward G. Murrell Park should be a top priority. Other properties that may be considered are part of the Town's Land Development Plan.
