Attention: Jim Halberg, Facilities Project Manager

Reference: Guilford County Agricultural Extension Building HVAC Replacement

Dear Mr. Halberg:

As a follow-up to our Affidavit A and Identification of Minority Business Participation Form that we submitted with our bid, we are enclosing Affidavit D as required. The following steps were taken to demonstrate our good faith efforts in recruiting MBE/WBE/DBE subcontractors and suppliers for this project.

- a) Charles Havens of Bar Construction Company attended the pre-bid conference on March 21, 2017.
- b) We placed an advertisement in the Greater Diversity Newspaper on March 23, 2017, requesting quotations from interested minority suppliers and subcontractors.
- c) We sent invitations to bid (March 20, 2017) to subcontractors and suppliers certified by various municipal Minority Business Program and other state programs with appropriate trades for this project, requesting quotations for this project. (Sample copy of invitation attached).
- d) We returned all calls received from MWBE contractors and followed up as needed by offering use of our plans, providing information regarding where plans could be viewed, mailing and/or faxing drawings and specs when possible, and answering any other questions.
- e) We requested assistance from local and regional MWBE coordination offices in our attempts to increase minority participation. Copies of the requests are included.
- f) We accepted quotations for specific portions of work, regardless of size, and utilized the lowest cost combination, effectively breaking the total project down into feasible portions of work to facilitate MWBE participation.
- g) Plans were available in our office to anyone who needed to view them. Copies of plans and specs were distributed to all minority subs who expressed an interest in bidding.
