## Why are you interested in serving on a board or commission?

2-24-2024 Dear Guilford Transportation, Advisory Board Selection Committee Hello, my name Jeremy L. Lane and I would like to thank you for this consideration, I first would like to tell you a little bit about myself. I am a Greensboro native, A Grimsley High School graduate and I am married with two children. I came to Well-Spring A Lifeplan Community on August 5, 2000, as a security officer in the Security and Transportation Department. On May 2, 2006 I was promoted to Director of Security and Transportation where I currently am today. One of my many passions is serving older adults and that passion led me to Well-Spring. My grandmother, aunts, and mother all worked as private care workers to older adults, and I saw the passion that they had, and it was imprinted on me at an early age. Below are some of my accomplishments: • 2011-Guilford College-Bachelor of Science Business Management • 2019- NC LeadingAge Leadership Academy Graduate • 2019-NC LeadingAge Service Award recipient • Member of the Well-Spring Retirement Plan Committee My hobbies and interest include collecting vintage toys and football cards. Two of my most prized football cards are a 1990 autographed Jim Kelly football card and 1979 Doug Williams rookie card. I also enjoy spending time with family, cooking and watching college football games. You can find me during those fall football Saturdays either at Wake Forest's Truist Field or Appalachian State's Kid Brewer Stadium tailgating with family and friends right before the games. The reason why I would like to serve on this board is to strengthen my skills and to grow professionally. I would also like to learn more about Transportation throughout Guilford County and to help lend some suggestions through my work with older adults and transportation. Thank you
