Interests & Experiences

Why are you interested in serving on a board or commission?

I have participated on many not for profit boards in Guilford County. My interest is to serve on the GTCC Board of Trustees in order to assist Dr. Parker and the Board with their mission to bring quality education and progressive opportunities for the students attending GTCC. GTCC plays a vital role in Guildford County as a economic driver helping to create a workforce for the businesses of Guilford County. I am familiar with the county and issues facing the county. I believe education is at the forefront of economic development for Guilford County. I believe my background and leadership roles provide me an excellent perspective to help GTCC with their mission. I would like to help more.
