Good Afternoon,

MWBE has reviewed the Waiver request for vaccines, the subject waiver is approved.

Sincerely,
Maria

Subject: Sanofi Pasteur - Public Health Pharmaceuticals

Good morning –

Public Health is spending approximately \$175K a year with Sanofi Pasteur of the MMCAP cooperative. We would like to take this agreement to the BOCC on oct 17th as a not-to-exceed 5 years agreement. Blanket POs will be issued as needed. Please review and let us know if we may proceed.

Thanks, Fran
