

EVERBRIDGE, INC.
Core Platform Service Agreement

This Core Platform Service Agreement (“**Agreement**”) is entered into by and between EVERBRIDGE, Inc. (“**EVERBRIDGE**”), and GUILFORD COUNTY (“**CLIENT**”), effective on the date of CLIENT’s signature below (“**Effective Date**”). EVERBRIDGE and CLIENT are each sometimes referred to as a “**Party**” and collectively, the “**Parties**”.

1. SERVICES. Orders. EVERBRIDGE shall provide CLIENT access to its proprietary interactive communication solutions(s) (the “**Solution(s)**”) subject to the terms and conditions set forth in this Agreement and the description of services and pricing provided in the applicable quote or other ordering document (e.g., statement of work) (the “**Quote**”). If applicable, EVERBRIDGE shall provide the training and professional services (“**Professional Services**”) set forth in the Quote. Collectively, the Solutions and Professional Services are referred to as the “**Services**”. EVERBRIDGE shall provide CLIENT with login and password information for each User (as defined below) and will configure the Solutions based on the maximum number of Contacts, (as defined below), households or Users, as applicable depending on the Solutions ordered.

2. PAYMENT TERMS. CLIENT shall pay the fees set forth in the Quote (“**Pricing**”). If CLIENT exceeds the usage levels specified in the Quote, then EVERBRIDGE may invoice CLIENT for any overages at the then applicable rate. EVERBRIDGE shall invoice CLIENT annually in advance for all Solutions and Professional Services. All payments shall be made within thirty (30) days from date of invoice. Unless otherwise provided, Pricing does not include any local, state, federal or foreign taxes, levies or duties of any nature, all of which CLIENT is responsible for paying, except for those relating to EVERBRIDGE’s net income or property. If EVERBRIDGE is legally obligated to collect or pay taxes for which CLIENT is responsible, the appropriate amount shall be invoiced to and paid by CLIENT, unless CLIENT provides a valid tax exemption certificate. This Agreement is subject to annual appropriation of funds by the Guilford County Board of Commissioners or other funding source, pursuant to N.C.G.S. §153A-13.

3. RESPONSIBILITIES.

3.1 Users. If CLIENT has purchased Mass Notification or Incident Communications, CLIENT shall in its discretion authorize certain of its employees and contractors, and the employees and contractors of Affiliates, to access that Service as Users. If CLIENT has purchased any other Solution, CLIENT shall authorize the number of Users set forth on the Quote as applicable to that Service. Collectively, CLIENT’s employees and contractors who access any Solution as provided in this subsection are referred to as “**User(s)**”. A “**Contact**” is any individual person that CLIENT contacts through the Solutions and/or provides their personal contact information to EVERBRIDGE, including through an opt-in portal, as applicable. CLIENT shall undergo the initial setup and training as set forth in the Onboarding Inclusion sheet provided with the Quote. If CLIENT fails to complete such onboarding process within sixty (60) days of the Effective Date, unless such delay is the fault of EVERBRIDGE, any additional onboarding services will be subject to additional charges. There is no requirement to purchase additional services.

3.2 Client Data. “**Client Data**” is all electronic data CLIENT transmits to EVERBRIDGE to or through the Solutions. CLIENT shall retain all ownership rights in Client Data. CLIENT

shall have sole responsibility for the accuracy, quality, integrity, and legality of all Client Data. By ordering the Solutions, CLIENT represents that it has the right to authorize and hereby does authorize EVERBRIDGE and its Solution Providers to collect, store and process Client Data including Contact data subject to the terms of this Agreement. “**Solution Providers**” shall mean communications carriers, data centers, colocation and hosting services providers, short messaging services (“**SMS**”) providers and content and data management providers that EVERBRIDGE uses in providing the Solutions. CLIENT shall maintain a copy of all CLIENT Contact data it provides to EVERBRIDGE. CLIENT acknowledges that the Solutions are a passive conduit for the transmission of Client Data and any data submitted by Contacts, and EVERBRIDGE has no obligation to screen, preview or monitor content, and shall have no liability for any errors or omissions or for any defamatory, libelous, offensive or otherwise unlawful content in any Client Data or data submitted by Contacts, or for any losses, damages, claims, or other actions arising out of or in connection with any data sent, accessed, posted or otherwise transmitted via the Solutions by CLIENT or Contacts.

3.3 Limitations on Use. CLIENT is responsible for all activity occurring under CLIENT’s account(s) and shall comply with all applicable Privacy Laws (as defined below) and all other applicable laws and regulations in connection with CLIENT’s use of the Services, including its provision of CLIENT Data to EVERBRIDGE. Where applicable, CLIENT shall obtain the required consent of Contacts to send communications through the Solutions. CLIENT shall use the Service in accordance with EVERBRIDGE’s then applicable Acceptable Use Policy posted on www.everbridge.com. CLIENT shall promptly notify EVERBRIDGE of any unauthorized use of any password or account or any other act or omission that would constitute a breach or violation of this Agreement.

3.4 Security of Services. EVERBRIDGE’s IT security and compliance program includes the following industry standards generally adopted by U.S. based SaaS providers: (i) reasonable and appropriate technical, organizational and security measures against the destruction, loss, unavailability, unauthorized access or alteration of CLIENT Data in the possession or under the control of EVERBRIDGE, including to ensure the availability of information following interruption to, or failure of, critical business processes; and (ii) a third party audit of its security controls as provided in the “**Privacy and Security Compliance**” link on www.everbridge.com. “**Privacy Laws**” means all United States federal and state laws and regulations regarding consumer and data protection and privacy.

4. TERM. This Agreement shall begin on the Effective Date and shall continue in effect for a one (1) year period, subject to underlying Quotes that are in effect. This Agreement may be extended for additional one (1) year terms by the Parties executing Contract Amendment(s). Quotes are also only effective for a one-year period and must be renewed in order to continue past the one (1) year period. Services under an applicable Quote will begin as set forth in such Quote and shall continue for the initial term specified therein (“**Initial Service Term**”). If a Quote contains Services added to an existing subscription, such added Services shall be billed on a pro-rated basis and will be coterminous with the Initial Service Term or applicable renewal Service term (“**Renewal Term**”), unless otherwise agreed to by the Parties. If at the end of the applicable Quote, CLIENT intends to renew the Agreement, but has not provided a timely executed written renewal prior to the end

of such term, then EVERBRIDGE, in its sole discretion, shall continue the Service(s) hereunder for thirty (30) days (the “**Grace Period**”) in order to secure an executed renewal by CLIENT, provided that CLIENT shall pay to EVERBRIDGE the annual fee then in effect divided by twelve (12) (the “**Monthly Holdover Fee**”). The Grace Period is provided to CLIENT as a courtesy so that Services will not be terminated prior to the execution of a renewal. Due to insurance and liability reasons EVERBRIDGE can only provide one Grace Period and will charge the Monthly Holdover Fee. The Monthly Holdover Fee is instituted in order to protect CLIENT from termination or suspension of the Services, and to insure that timely renewals are entered into. Monthly Holdover Fees shall not be returned or refunded to the CLIENT as a credit towards any renewal.

5. TERMINATION; SUSPENSION.

5.1 Termination by Either Party. Either Party may terminate this Agreement upon the other Party's material breach of the Agreement, provided that (i) the non-breaching Party sends written notice to the breaching Party describing the breach in reasonable detail; (ii) the breaching Party does not cure the breach within thirty (30) days following its receipt of such notice (the “**Notice Period**”); and (iii) following the expiration of the Notice Period, the non-breaching Party sends a second written notice indicating its election to terminate this Agreement.

5.2 Termination by EVERBRIDGE. If CLIENT fails to pay any amounts due within thirty (30) days of their due date, EVERBRIDGE may terminate this Agreement or suspend the Services pursuant to the notice provisions above in Section 5.1. Termination for non-payment shall not relieve CLIENT of its outstanding obligations (including payment) under this Agreement. If EVERBRIDGE suspends access to the Solution(s), CLIENT's account shall not be reactivated until CLIENT is in compliance with this Agreement and has paid all past due amounts.

5.3 Termination for Non-Appropriation of Funds. Client may terminate this Agreement, upon providing Everbridge sixty (60) days' prior written notice of such termination, in the event [that there shall be insufficient funds allocated in the Client's budget to continue paying for the Services pursuant to this Agreement; provided, however, that if Client terminates under this provision it shall not be entitled to any refund and shall pay all amounts then due and owing. The parties acknowledge that N.C. General Statute 159-28 applies to this Agreement.

5.4 Suspension. EVERBRIDGE may suspend the Solution or any portion, for (i) emergency network repairs, threats to, or actual breach of network security; (ii) any substantive violation by CLIENT of Section 3 or 6.2; or (iii) any legal, regulatory, or governmental prohibition affecting the Solution. In the event of a suspension under (i) or (iii), EVERBRIDGE shall use its best efforts to notify CLIENT through its CLIENT Portal and/or via email prior to such suspension and shall reactivate any affected portion of the Solution as soon as possible. In the event of suspension under (ii), EVERBRIDGE shall use best efforts to notify CLIENT within two (2) hours of such suspension.

6. PROPRIETARY RIGHTS.

6.1 Grant of License. Subject to the terms and conditions of this Agreement, EVERBRIDGE hereby grants to CLIENT, during the term of this Agreement, a limited, non-exclusive, non-transferable, non-sublicensable right to use the Solutions.

6.2 Restrictions. CLIENT shall use the Solution solely for its internal business purposes and shall not make the Solution available to, or use the Solution for the benefit of, any third party

except as expressly set forth in this Agreement. CLIENT shall not (i) sell, transfer, assign, distribute or otherwise commercially exploit or make available to any third party the Solution except as expressly set forth herein; (ii) modify or make derivative works based upon the Solution; (iii) reverse engineer the Solution; (iv) remove, obscure or alter any proprietary notices or labels on the Solution or any materials made available by EVERBRIDGE; (v) use, post, transmit or introduce any device, software or routine (including viruses, worms or other harmful code) which interferes or attempts to interfere with the operation of the Solution; (vi) defeat or attempt to defeat any security mechanism of any Solution, or (vii) access the Solution for purposes of monitoring Solution availability, performance or functionality, or for any other benchmarking or competitive purposes; provided, however, that this subpart (viii) shall not preclude CLIENT's ability to issue test messages as specified in Exhibit A. CLIENT shall not and shall not attempt to access the EVERBRIDGE systems programmatically except as set forth on the System Inclusion sheet for EVERBRIDGE Open APIs.

6.3 Reservation of Rights. The Solutions (including all associated computer software (whether in source code, object code, or other form), databases, indexing, search, and retrieval methods and routines, HTML, active server pages, intranet pages, and similar materials) and all intellectual property and other rights, title, and interest therein (including copyrights, trade secrets, and all rights in patents, compilations, inventions, improvements, modifications, extensions, enhancements, configurations, derivative works, discoveries, processes, methods, designs and know-how pertaining to any of the foregoing) (collectively, “**IP Rights**”), whether conceived by EVERBRIDGE alone or in conjunction with others, constitute Confidential Information and the valuable intellectual property, proprietary material, and trade secrets of EVERBRIDGE and its licensors and are protected by applicable intellectual property laws of the United States and other countries. EVERBRIDGE owns (i) all feedback and other information (except for the CLIENT Data) provided to EVERBRIDGE by Users, CLIENT and Contacts in conjunction with the Services, and (ii) all transactional, performance, derivative data and metadata generated in connection with the Solutions. Except for the rights expressly granted to CLIENT in this Agreement, all rights in and to the Solutions and all of the foregoing elements thereof (including the rights to any work product resulting from Professional Services and those to any modification, extension, improvement, enhancement, configuration or derivative work of the Solutions or any the foregoing elements thereof) are and shall remain solely owned by EVERBRIDGE and its respective licensors, and CLIENT hereby assigns any such rights to EVERBRIDGE. EVERBRIDGE may use and provide Solutions and Professional Services to others that are similar to those provided to CLIENT hereunder, and EVERBRIDGE may use in engagements with others any knowledge, skills, experience, ideas, concepts, know-how and techniques used or gained in the provision of the Solutions or Professional Services to CLIENT, provided that, in each case, no CLIENT Data or CLIENT Confidential Information is disclosed thereby.

7. CONFIDENTIAL INFORMATION.

7.1 Definition; Protection. As used herein, “**Confidential Information**” means all information of a Party (“**Disclosing Party**”) disclosed to the other Party (“**Receiving Party**”), whether orally, electronically, in writing, or by inspection of tangible objects (including, without limitation, documents or prototypes), that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Confidential Information includes without limitation, all CLIENT Data, all EVERBRIDGE Technology, and either Party's business and marketing plans, technology and

technical information, product designs, reports and business processes. Confidential Information shall not include any information that: (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party; (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party; (iii) was independently developed by the Receiving Party without breach of any obligation owed to the Disclosing Party; or (iv) is received from a third party without breach of any obligation owed to the Disclosing Party. The Receiving Party shall not disclose or use any Confidential Information of the Disclosing Party for any purpose other than performance or enforcement of this Agreement without the Disclosing Party's prior written consent. If Receiving Party is compelled by law to disclose Confidential Information of Disclosing Party, including under the Freedom of Information Act or other public information request (i.e., "state sunshine" laws) it shall provide Disclosing Party with prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at Disclosing Party's cost, if Disclosing Party wishes to contest the disclosure. Receiving Party shall protect the confidentiality of Disclosing Party's Confidential Information in the same manner that it protects the confidentiality of its own confidential information of like kind (but in no event using less than reasonable care). Receiving Party shall retain Confidential Information in accordance with its standard records and data retention policies. Receiving Party shall promptly notify Disclosing Party if it becomes aware of any breach of confidentiality of Disclosing Party's Confidential Information.

7.2 Upon Termination. Upon any termination of this Agreement, the Receiving Party shall continue to maintain the confidentiality of the Disclosing Party's Confidential Information and, upon request and to the extent practicable, destroy all materials containing such Confidential Information. Notwithstanding the foregoing, either Party may retain a copy of any Confidential Information if required by applicable law or regulation, in accordance with internal compliance policy, or pursuant to automatic computer archiving and back-up procedures, subject at all times to the continuing applicability of the provisions of this Agreement.

8. WARRANTIES; DISCLAIMER.

8.1 EVERBRIDGE Warranty. EVERBRIDGE shall provide the Solutions in material compliance with the functionality and specifications set forth on the relevant Solution system inclusion sheet. EVERBRIDGE shall provide 24X7X365 customer support in accordance with its most recently published Support Services Guide. Professional Services shall be performed in a professional manner consistent with industry standards. THE FOREGOING REPRESENT THE ONLY WARRANTIES MADE BY EVERBRIDGE HEREUNDER AND EVERBRIDGE EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

8.2 Disclaimer. NEITHER EVERBRIDGE NOR ITS LICENSORS OR SERVICE PROVIDERS WARRANT THAT THE SOLUTION WILL OPERATE ERROR FREE OR WITHOUT INTERRUPTION. WITHOUT LIMITING THE FOREGOING, IN NO EVENT SHALL EVERBRIDGE HAVE ANY LIABILITY FOR PERSONAL INJURY (INCLUDING DEATH) OR PROPERTY DAMAGE ARISING FROM FAILURE OF THE SOLUTION TO DELIVER AN ELECTRONIC COMMUNICATION, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, EVEN IF EVERBRIDGE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

8.3 SMS Transmission. CLIENT ACKNOWLEDGES AND AGREES THAT THE USE OF SMS SERVICES, ALSO KNOWN AS SMS MESSAGING OR TEXT MESSAGING, AS A MEANS OF SENDING MESSAGES INVOLVES A REASONABLY LIKELY POSSIBILITY FROM TIME TO TIME OF DELAYED, UNDELIVERED, OR INCOMPLETE MESSAGES AND THAT THE PROCESS OF TRANSMITTING SMS MESSAGES CAN BE UNRELIABLE AND INCLUDE MULTIPLE THIRD PARTIES THAT PARTICIPATE IN THE TRANSMISSION PROCESS, INCLUDING MOBILE NETWORK OPERATORS AND INTERMEDIARY TRANSMISSION COMPANIES. CLIENT FURTHER UNDERSTANDS, ACKNOWLEDGES, AND AGREES THAT IT ASSUMES ALL RISK ASSOCIATED WITH ANY SUCH DELAY, LACK OF DELIVERY OR INCOMPLETENESS.

9. INDEMNIFICATION.

9.1 By CLIENT. CLIENT shall defend, indemnify and hold EVERBRIDGE harmless against any loss or damage (including reasonable attorneys' fees) incurred in connection with any third party claim, suit or proceeding ("**Claim**") arising out of any data sent, posted or otherwise transmitted via the Solution by CLIENT or Contacts, or CLIENT's breach of the tax provisions in Section 2 or any breach by CLIENT of Sections 3 or 6.

9.2 By EVERBRIDGE. EVERBRIDGE shall defend, indemnify and hold CLIENT harmless from and against any Claim against CLIENT alleging that the Solution as contemplated hereunder infringes an issued patent or other IP Right in a country in which the Solution is provided to CLIENT.

9.3 Indemnification Process. The indemnifying Party's obligations under this Section 9 are contingent upon the indemnified Party (a) promptly giving notice of the Claim to the indemnifying Party once the Claim is known; (b) giving the indemnifying Party sole control of the defense and settlement of the Claim (provided that the indemnifying party may not settle such Claim unless such settlement unconditionally releases the indemnified Party of all liability and does not adversely affect the indemnified Party's business or service); and (c) providing the indemnifying Party all available information and reasonable assistance. With respect to EVERBRIDGE's indemnification obligations, if (x) any aspect of the Solution is found or, in EVERBRIDGE's reasonable opinion is likely to be found, to infringe upon the IP Right of a third party as specified above, or (y) the continued use of the Solution is enjoined, then EVERBRIDGE will promptly and at its own cost and expense at EVERBRIDGE's option: (i) obtain for CLIENT the right to continue using the Solution; (ii) modify such aspect of the Solution so that it is non-infringing; or (iii) replace such aspect of the Solution with a non-infringing functional equivalent. If, after all commercially reasonable efforts, EVERBRIDGE determines in good faith that options (i) - (iii) are not feasible, EVERBRIDGE will remove the infringing items from the Solution and refund to CLIENT on a pro-rata basis any prepaid unused fees paid for such infringing element. The foregoing remedies are CLIENT's exclusive remedy for Claims for infringement of an IP Right. EVERBRIDGE shall have no obligation or liability for any claim pursuant to this Section to the extent arising from: (i) the combinations, operation, or use of the Solution supplied under this Agreement with any product, device, or software not supplied by EVERBRIDGE to the extent the combination creates the infringement; (ii) the unauthorized alteration or modification by CLIENT of the Solution; or (iii) EVERBRIDGE's compliance with CLIENT's designs, specifications, requests, or instructions pursuant to an engagement for EVERBRIDGE Professional Services relating to the Solution to the extent the claim of infringement is based on the foregoing.

10. LIABILITY LIMITS. To the maximum extent permitted by law, neither Party shall have any liability to the other Party for any

indirect, special, incidental, punitive, or consequential damages, however caused, under any theory of liability, and whether or not the Party has been advised of the possibility of such damage. Except for its indemnification obligations under Section 9.2, notwithstanding anything in this Agreement to the contrary, in no event shall EVERBRIDGE's aggregate liability, regardless of whether any action or claim is based on warranty, contract, tort, indemnification or otherwise, exceed amounts paid or due by CLIENT to EVERBRIDGE hereunder during the 12 month period prior to the event giving rise to such liability. The foregoing limitations shall apply even if the non-breaching party's remedies under this Agreement fail their essential purpose.

11. MISCELLANEOUS.

11.1 Non-Solicitation. As additional protection for EVERBRIDGE's proprietary information, for so long as this Agreement remains in effect, and for one year thereafter, CLIENT agrees that it shall not, directly or indirectly, solicit, hire or attempt to solicit any employees of EVERBRIDGE; provided, that a general solicitation to the public for employment is not prohibited under this section.

11.2 Force Majeure; Limitations. The Solution delivers information for supported Contact paths to public and private networks and carriers, but cannot guarantee delivery of the information to the recipients. Final delivery of information to recipients is dependent on and is the responsibility of the designated public and private networks or carriers. CLIENT acknowledges and agrees that territories outside the U.S. and Canada may have territorial restrictions resulting from applicable law, telecommunications or internet infrastructure limitations, telecommunications or internet service provider policies, or communication device customizations that may inhibit or prevent the delivery of certain SMS, text or other notifications, or restrict the ability to place or receive certain calls such as outbound toll free calls. EVERBRIDGE shall have no liability to the extent such restrictions impede the Solution.

11.3 Waiver; Severability. The failure of either Party hereto to enforce at any time any of the provisions or terms of this Agreement shall in no way be considered to be a waiver of such provisions. If any provision of this Agreement is found by any court or other authority of competent jurisdiction to be invalid, illegal or unenforceable, that provision shall, to the extent required, be deemed deleted or revised, and the remaining provisions shall continue in full force and effect to the maximum extent possible so as to give effect to the intent of the parties.

11.4 Assignment. Neither Party may assign this Agreement to any third party except upon the other Party's prior written consent, which consent shall not be unreasonably withheld or delayed; provided, that no such consent shall be required in the event of an assignment to an Affiliate or to a successor-in-interest to the business of the assigning Party resulting from a merger, reorganization, or sale of all or substantially all assets. Notwithstanding the above, If EVERBRIDGE should undergo merger, acquisition, bankruptcy, or any change in their ownership or their name for any reason, EVERBRIDGE must promptly notify CLIENT in writing of these changes and provide the CLIENT with legal documentation supporting these changes, such as an Assumption Agreement, Bill of Sale, Articles of Incorporation,

Articles of Amendment, sales contract, merger documents, or other applicable legal document(s). CLIENT cannot agree to assumption of this Agreement by the assuming entity without proper documentation being provided to CLIENT of the legal transfer of the business and this Agreement. neither Party shall assign this Agreement to any third party which is a competitor of the other Party.

Effective as of the date of this Contract, and in accordance with N.C.G.S. Chapter 147, Article 6E entitled "Iran Divestment Act," each Party hereby certifies that it is not identified on the Final Divestment List created by the State Treasurer, which list of persons the Treasurer has determined engage in investment activities in Iran, including any subcontractors of either Party.

11.7 Notices. Legal notices (i.e., claimed breach or termination) to be provided under this Agreement shall be delivered in writing (a) in person, (b) by nationally recognized overnight delivery service, or (c) by U.S. certified or first class mail to the other party as set forth on the signature page hereto. All legal notices shall be deemed to have been given upon receipt or, if under (c), three (3) business days after being deposited in the mail. Either party may change its address by giving notice of the new address to the other party pursuant to this Section and identifying the effective date of such change. EVERBRIDGE may provide all other notices to CLIENT's billing contact on the CLIENT Registration Form or, with respect to availability, upgrades or maintenance of the Solutions, to the EVERBRIDGE Support Center.

This Agreement shall not be modified or amended except by a writing signed by both Parties. ANY NEW TERMS OR CHANGES INTRODUCED IN A PURCHASE ORDER OR OTHER DOCUMENT ARE VOID AND OF NO FORCE OR EFFECT. Everbridge IPAWS Integration

This premium feature enables a client to broadcast alerts to the public via FEMA's Integrated Public Alert & Warning System (IPAWS) from within the Everbridge Suite solution. See <http://www.fema.gov/integrated-public-alert-warning-system> for details.

After a client has received their credentials from FEMA, the client administrator loads their FEMA-assigned digital certificate into their Everbridge Organization, and client users will be able to send messages using any of the authorized IPAWS channels:

- Emergency Alert System (EAS) (short text message to televisions and audio message to radio)
- Wireless Emergency Alerts (WEA) (short text message to mobile phones)
- Non-Weather Emergency Alerts (NWEM) (short audio messages to NOAA radio)
- COG-to-COG (messages to other alerting authorities who have access to IPAWS)

Clients will have the option within the Everbridge notification workflow of sending the message to the IPAWS "live" environment, which will route the message to one or more of the above channels, or the option of sending the message to the IPAWS JITC environment, where clients can evaluate their test messages and train their users.

Note: Everbridge has no influence into the channel permissions assigned to a client. For instance, if a client is granted access to send only to WEA, then Everbridge cannot force the notification to also be sent to the EAS channel.

Benefit to Clients

This feature will benefit clients who:

- Are approved by FEMA and their state emergency management agency to send messages to the general public and/or to send messages to other alerting authorities who have access to IPAWS.
- Want to use one notification to send the same message to IPAWS and to Everbridge/Nixle Contacts
- Need to receive messages addressed to their COG
- Want to pull messages from the Public message board in IPAWS for downstream dissemination to their Everbridge/Nixle contacts

Usage

A client can load their FEMA-assigned digital certificate in one or more of their Everbridge organizations. There is no separate charge for the volume of IPAWS messages a client sends from Everbridge Suite.

Core Platform Access

The Implementations Team must enable the approved IPAWS channel(s) in EB Admin for the designated client Organization.

Key Features

- The IPAWS channels are individually listed as Publishing Options on the Mass Notification form.
- Client user can view the permissions assigned to the COG ID via the Organization Settings page
- Users can send notifications to IPAWS as well as to other Publishing Options and Everbridge/Nixle Contacts
- User can select the IPAWS "live" or "test" environments in the notification form before sending the message
- User can review messages sent to the client's COG ID via the Everbridge Interactive Visibility feature

International Support

None. IPAWS is available only to public safety organizations in the United States.

Set-up, Implementation, and Support

This is a premium feature.

This feature is intended only for clients who have received credentials from FEMA.

Implementations Team must enable the approved channels for a client's Organization.

Note: This feature is not available at the Account Level

Client administrators must load the FEMA-provided digital certificate in the Settings page for the desired Organizations

Clients must contact Everbridge Technical Support if they want to make subsequent changes to their channel options.
