Hi Tina,

This is an agreement for DSS from Piedmont Triad Regional Council. This agreement provides reimbursement for the Home and Community Care Block Grant (HCCBG) funding. Due to the emails below, I wanted to get Legal approval on it before it goes to the BOC next week.

I know you are very busy so if you cannot get to it please let me know and I will try to re-assign.

Thank you,
Jordan

Subject: RE: PTRC Aging & Adult Services FY24 Agreement

Hi,

The 731 has been emailed to / Michael (will send this email to you separately). This will need to be on the BOC agenda to be reviewed at the 8/3/23 meeting (has to have BOC approval and County Manager's signature).

I do not know who normally gets this item on the agenda. PTRC will need this form back by 8/10/23 to be able to upload our budget into the ARMS system. Without this in ARMS we will be able to enter units served but will not be able to receive payment for services rendered until the 731 is received as signed and approved.

The contract you attached, I am not sure if it has to be signed and executed prior to us being reimbursed for services.

Thanks!

Good Afternoon,

Please see attached PTRC Agreement for FY24. As the cover letter notes this is the Agreement pending preparation of County Funding Plan that is adopted each year.

I have also CC'd Diane since she handles all things PTRC. In the mindset of anticipating questions from review of this contract, @Diane can you give us an update on the status for the funding plan for FY24?

Thanks everyone and have a great evening!
