**Interests & Experiences**

**Why are you interested in serving on a board or commission?**

I am interested in working with other businesses in High Point to bring visitors and new business to the city. High Point offers a wide variety of venues and entertainment to attract visitors from around the world. After many years of working in the home furnishing industry, I believe High Point can attract designers to the city throughout the year, not just during the High Point Home Furnishings Markets.
