Interests & Experiences

Why are you interested in serving on a board or commission?

I am interested in serving on the Guilford County Board of Adjustment because I believe in the importance of equitable development, responsible land use, and preserving the integrity of our community's zoning policies. With a background that bridges tax strategy, real estate, and financial planning, I bring a well-rounded understanding of how zoning decisions impact both residents and businesses. My experience as a managing partner of a tax and accounting firm, a former IRS advisor, and a military veteran has equipped me with the analytical, leadership, and service-oriented skills needed for fair and thoughtful decision-making. As a Leadership Greensboro graduate and active board member for local organizations like Junior Achievement and the NC Society of Enrolled Agents, I am deeply committed to the growth and well-being of Guilford County and look forward to serving in a way that reflects integrity, transparency, and respect for our shared community values
