Question applies to multiple boards

Briefly list your professional, educational and volunteer experiences that are most relevant to the mission and duties of this board:

I currently work with young people all over Guilford County, I work to eradicate our food insecurity concerns, and I assist with the empowerment of students.

Question applies to Guilford County Animal Services Board

Please list your experiences with animal services, animal control, and animal rescues; and discuss your ideas for improving the well-being of pets and the animal population, in general, within Guilford County.

I am the proud Mom of a 6 year old Rottweiler. It was difficult to find a landlord who would rent to us because of Tyson's breed. I feed stray animals (I know, I know), and my 10 year old daughter has inspired a love in all of us for our furry friends. I'd like to assist families who find challenges with kennel access and the costs of tickets from Animal Control.
