Good Afternoon,

The MWBE Department has reviewed and approved the submitted waiver for Stryker. Feel free to reach out with any questions.

Sincerely,
Maria

Subject: Bid Waver

Fran, I've attached the Bid Waver for Stryker along with a couple supporting documents for this service. We have had this program in place for numerous years just for the liability as well as the overall cost of these devices. Please let me know if you need anything else.

Thank You,

Daren
