Subject: Resolution of Support for a Signal at the Intersection of US 70 and
Willowlake Road (SR 2828) in Guilford County

Dear Marty:

This is to request a Resolution of Support from the Guilford County Commissioners, for the installation of a traffic signal at the intersection of US 70 (East Wendover Ave.) and Willowlake Road (SR 2828), which will be funded by the use of Contingency Funds sponsored by Senator Trudy Wade and Representative Jon Hardister.

This existing intersection does meet the warrants for a traffic signal, and the installation of this signal is critical for the safety, and mobility, of the motorists that travel through this intersection.

The acknowledgment, and support, of the Guilford County Commissioners, for the installation of this traffic signal with the use of Contingency Funds, that will enhance the safety of the traveling public through this intersection, is greatly appreciated.

If you have any questions, please do not hesitate to ask.

Sincerely,

A handwritten signature in black ink, appearing to read "J. M. Mills".
