V. PRESENTATIONS

- A. [2026-155](#) PRESENTATION OF SUSTAINED PROFESSIONAL PURCHASING AWARD: GUILFORD COUNTY PURCHASING DIVISION OF FINANCE AND RECOGNIZE PURCHASING MANAGER FRAN CAMERON UPON RECEIVING THE HALL-WICKER AWARD

Background: During the North Carolina Association of Governmental Purchasers (NCAGP) spring conference, the Guilford County Purchasing Division of Finance was awarded the **Sustained Professional Purchasing Award** for accomplishments in procurement and for demonstrating sustained excellence in purchasing standards. The NCAGP Sustained Professional Purchasing Award (SPPA) is an annual award by the North Carolina Association of Governmental Purchasing that recognizes member agencies for excellence in procurement. The award honors agencies that demonstrate high standards in areas such as technology use, policy, and staff training. **This was the fourth year Guilford County Purchasing has won this award.** Purchasing received the award along with eighteen (18) other NC agencies for dedication to professional development and continuous improvement to serving both external and internal customers.

Additionally, Purchasing Manager Fran Cameron won the prestigious Hall-Wicker award, which is the first time a Guilford County purchasing professional has won the award since it was established. The award was established by the North Carolina Association of Governmental Purchasing (NCAGP) in 1996 to recognize outstanding contributions and service to the cause and advancement of the purchasing profession and to jointly honor the late Warren "Jake" Wicker who was instrumental in the founding of NCAGP and in the development of a substantial curriculum in purchasing at the Institute of Government for North Carolina public officials, and the late W.T. "Tom" Hall, Jr., who was a tireless innovator, directing his energy toward new ways to make purchasing more efficient and effective.

Requested Action: Recognize the Guilford County Purchasing Division of Finance on their receipt of the Sustained Professional Purchasing Award and offer Special Recognition to the Guilford County Purchasing Manager on the receipt of the Hall-Wicker Award.

Sponsors: Commissioner Alan Perdue

B. [2026-196](#) RECOGNIZE GUILFORD COUNTY FINANCE STAFF MEMBERS FOR OBTAINING THE NORTH CAROLINA LOCAL GOVERNMENT FINANCE OFFICER CERTIFICATION

Background:

Four members of the Guilford County Finance Department have completed the requirements for the North Carolina Certified Local Government Finance Officer program and have received their certifications.

- Kim Slusher - Deputy Finance Director
- John Barfield - Deputy Finance Director
- Auriel Cowan - Accounting Manager
- Brittany Hoke - Sr. Financial Analyst

This is a big accomplishment for the team and brings the total number of staff in the Finance Department that have their certifications up to seven.

To become certified, individuals must meet certain experience requirements and successfully complete four of the five core courses through the UNC School of Government curriculum and pass four comprehensive exams.

The five core courses are:

- Introduction to Local Government Finance
- Governmental Accounting and Financial Reporting
- Budgeting and Financial Planning (two courses but counted collectively as one requirement)
 - Budgeting in Local Government
 - Capital Financing in Local Government
- Cash Management and Investment of Public Funds
- Effective Supervisory Management Program

There are four exams that must be successfully completed (i.e., pass with a grade of 70% or higher). There are no waivers for the exams. The four exams are as follows:

- Governmental Accounting and Financial Reporting
- Cash Management and Investment of Public Funds
- Budgeting and Financial Planning
- Financial and Supervisory Management (tied to the Effective Supervisory Management Program)

Requested Action: Recognize Kim Slusher, John Barfield, Auriel Cowan and Brittany Hoke for becoming Certified Local Government Finance Officers.

Sponsors: Commissioner Kay Cashion

- E. [2026-206](#) PROCLAIM APRIL 2026 AS CHILD ABUSE PREVENTION MONTH

Requested Action: Proclaim April 2026 as Child Abuse Prevention Month.

Sponsors: Commissioner Mary Beth Murphy

VI. CONSENT AGENDA

A. BUDGET AMENDMENTS

1. [2026-193](#) COMMUNITY PROJECT FUNDING GRANT FOR "ONE PLACE" SERVICES

Background:

Guilford County submitted a request to former Congresswoman Kathy Manning's office in 2023 for Congressionally-directed funding for a "One Place" program that would provide group living and services for high risk / vulnerable housing insecure adults and emergency shelter and services for families with children to add needed capacity within our community. The total funding request included \$8.2 million for property acquisition for living / shelter space and \$4.8 million for start up and other operational costs. In total, the County was awarded \$0.5 million in Federal FY 2024, effective in March 2024. The funds must be spent by August 31, 2032.

Due to the actual award amount and other recent efforts around homelessness and use of Opioid Settlement fund dollars, staff have determined that the current use of the One Place funds that best aligns with the original application purpose is to support operating costs associated with long-term beds added at the Guilford County Prince Edward Graves Recovery and Treatment Center. Funds would be utilized over County FYs 2026 and 2027 (present through June 30, 2027).

Requested Action:

Approve the receipt of the 2024 Community Project Funding (CPF) "One Place" grant in the amount of \$500,000 and adopt a "CPF One Place" grant project ordinance in the amount of \$500,000 with \$500,000 in Federal / State Funds.

2. [2026-201](#) HHS-PUBLIC HEALTH: DELTA DENTAL SMILES FOR KIDS GRANT - PROJECT ACCESS DENTAL PROGRAM (PAD) \$5,000

Background: The Guilford County Department of Health and Human Services, Division of Public Health, has been awarded a \$5,000 grant from Delta Dental to support the Smile for Kids, Project Access Dental (PAD) Program. Grant funds will be used to provide emergency dental services to school-aged children who are uninsured or unable to obtain dental coverage. Eligible services include exams, x-rays, fillings, extractions, pulp therapy, crowns, and space maintenance.

The program also supports referral coordination by School Health nurses to the Chandler Dental Clinic, improving access to timely care. Outcomes include improved health, reduced pain, and enhanced school attendance and performance. Since 2015, the program has been fully grant-funded and has served 85 uninsured children. With an average cost of \$250-\$500 per child, the current award is projected to serve approximately fifteen (15) children.

Requested Action: Approve a budget amendment to increase the appropriation to Health and Human Services - Public Health by \$5,000 with \$5,000 in Other Revenues.

Budget Impact: General Fund

3. [2026-203](#) HHS- PUBLIC HEALTH DELTA DENTAL GRANT - SMILES IN THE CLASSROOM (\$5,000)

Background:

Guilford County Division of Public Health's School Health program has provided oral health screens in Guilford County schools since 2014, through a Dental Hygienist. Delta Dental has awarded the School Health Program \$5,000 in Grant funding since 2023 to implement the Smiles in the Classroom program. This project provides oral health supplies such as a toothbrush, brushing timer, and/or toothpaste to Guilford County Public School (GCS) kindergarten students at the time of their kindergarten dental screening.

Over the last three years we have been able to grow the program, allowing us to provide toothbrushes to small groups of 1st and 3rd grade students when their class participates in oral health education classes. These classes are designed specifically to celebrate Children's Dental Health Month during the month of February. Additionally, oral health kits (toothbrushes, brushing timer and/or toothpaste along with an insert on general good oral health recommendations) are provided, upon school nurse request, to some of our high-risk (diabetic, pregnant, and/or housing insecure) older students. Good oral health is essential to good overall all health and many students do not have the basic supplies needed to be successful with achieving good oral health. This program provides students with the necessary tools so that they can work towards and/or maintain good oral health. Funds will be used to purchase toothbrushes, brushing timers, and toothpaste samples.

Guilford County Public Health-School Health Division is the only entity in the county that has a MOA that allows for the School Health Dental Hygienist to provide kindergarten dental screenings to GCS students. That same MOA also allows the School Health Dental Hygienist to screen any enrolled student grade K-12 that has an urgent dental need. During the 2024-2025 school year 4,034 dental screenings were completed. Also, during that time, 4,528 toothbrushes along with 4,278 brushing timers and toothpaste samples were distributed to GCS students. Funding from this grant will allow the Smiles In the Classroom program,

managed by Public Health, to continue.

Requested Action: Approve a budget amendment to increase the appropriation to Health and Human Services - Public Health by \$5,000 with \$5,000 in Other Revenues.

Budget Impact: **General Fund**

B. CONTRACTS

1. [2026-207](#) LAW ENFORCEMENT ADMINISTRATION CENTER STORM WATER CONTROL PLAN AGREEMENT

Background: The Law Enforcement Administration Center, located at 401 West Sycamore Street, will require stormwater control to comply with NC Department of Environmental Quality storm water control measures. During design, staff instructed the civil engineer to include a permeable pavement design to avoid the need for a stormwater detention pond on the site. This agenda item will authorize staff to enter into an agreement with the City of Greensboro, which will certify Guilford County to maintain the installed permeable pavement in accordance with care and use guidelines provided by the installer.

The Property will require the construction of a storm water management control system (the “Storm Water Control Measure” or “Facilities”). The requirements are outlined in the maintenance plan on the approved City of Greensboro Technical Review Committee plan # 2022-3655. The plan is titled Guilford County Sheriff's Office Building, SCM Types (Wet Pond, Bio-cell, etc.). Permeable Pavement was selected during design to serve the Property, as required by the City and in accordance with North Carolina Administrative Code Rule 15A NCAC 02H .1050.

The City of Greensboro requires an owner of a stormwater control device to provide an operations and maintenance agreement to pledge proper operation of the device to control stormwater as designed. This is a standard agreement that is part of the City's technical review requirements.

Requested Action: Authorize staff to enter into the Operation and Maintenance Agreement, in substantial form, with the City of Greensboro for the Law Enforcement Administration Center located at 401 West Sycamore Street, Greensboro, NC, and authorize staff to take all reasonable actions to finalize and execute said agreement.

Budget Impact: **NO ADDITIONAL COUNTY FUNDS REQUIRED**

2. [2026-190](#) AWARD CONTRACT TO JOHNSON CONTROLS FOR GREENSBORO COURTHOUSE FIRE ALARM UPGRADES

Background: The Facilities Department manages annual inspections of fire alarms in county facilities. This equipment also requires periodic upgrades and improvements. This agenda item seeks approval to complete fire alarm upgrades to the Greensboro Courthouse in the amount of \$268,699.

This contract is the final phase of upgrading the fire alarm system at the Greensboro Courthouse. Phase 1 was complete in June of 2025. Phase 2 was recently completed in February of 2026. Johnson Controls Building Solutions has completed the two previous phases satisfactorily, and it is staff's recommendation to award the third phase to them at this time. The scope of work includes adding duct detectors, pull stations and annunciation devices as needed to comply with the current fire code. Additional wiring and electrical components will be supplied by Johnson Controls as needed. This will be an all-inclusive contract to upgrade the remaining fire alarm components. Work will be performed off-hours to avoid impacting court operations.

This contract pricing is based on the Sourcewell national purchasing agreement. Purchasing has approved a bid waiver to use the Sourcewell pricing for this contract.

Requested Action: Approve contract with Johnson Controls Building Solutions LLC, as authorized by the cooperative purchasing exemption of G.S. 143-129(e)(3) to complete the fire alarm upgrades to the Greensboro Courthouse, in the amount of \$268,699.00 to be effective May 1, 2026 for a term of one (1) year.

C. MISCELLANEOUS

1. [2026-205](#) AHOLD DELHAIZE USA EASEMENT APPROVALS FOR 6594 JUDGE ADAMS RD., WHITSETT, NC 27377

Background:

The new commercial distribution facility for Ahold Delhaize USA located in Whitsett NC, will require substantial electrical facilities service to be installed on the site. This agenda item seeks to (1) authorize an easement request for the permanent utility placement/installation that will be needed to support this new commercial structure (2) authorize a temporary access construction easement for the clearing, grubbing, and temporary access work that will be needed for this new utility placement/installation. The site is currently under construction. There is no financial impact to the county.

The electrical facilities shall be overhead, except as needed on or under the ground to support the overhead facilities, and located in, upon, over, along, through, and across a portion of the Property within an easement area described as follows: A strip of land forty feet (40') in uniform width, lying equidistant on both sides of a centerline, which centerline shall be established by the center of the facilities as installed, one thousand, one hundred & forty feet (1,140') in length, for an area of forty-five thousand, six hundred square feet (45,600 ft²).

The portion of the Property subject to this temporary access construction easement is the area described as follows: A strip of land forty feet (40') in uniform width, lying equidistant on both sides of a centerline, which centerline shall be established by the center of the underground Duke Energy Facilities as installed, one thousand, one hundred & forty feet (1,140') in length, for an area of forty-five thousand, six hundred square feet (45,600 ft²).

Requested Action: (1) Authorize staff to enter into the requested easement, in substantial form, to Duke Energy Carolinas, LLC to allow installation and maintenance of the electric communication facilities located at 6594 Judge Adams Rd., Whitsett, NC, and authorize staff to take all reasonable actions to finalize and execute said easement.

(2) Authorize staff to enter into the requested temporary access construction easement, in substantial form, to Tippmann Construction, LLC to allow clearing, grubbing, and temp access for

VII. NEW BUSINESS

A. [2026-158](#) BUDGET AMENDMENT AND PURCHASES: EQUIPMENT AND SPECIALTY EQUIPMENT FOR SHERIFF'S OFFICE UTILIZING FEDERAL FORFEITURE FUNDS

Background:

The Fiscal Year 2026 Adopted Budget included \$1,125,000 to invest in public safety specialty equipment that has reached the end of its useful life. This investment includes a SERT support vehicle, a Mobile Command Center, and additional equipment and technology. This agenda item authorizes the purchase of this equipment, amends the budget based on final costs, and approves the use of federal forfeiture funds for additional equipment. **This item does not require additional County funds.**

The SERT vehicle and Mobile Command Center support the Sheriff's Office in carrying out law enforcement duties. As public safety needs continue to evolve, so must the tools used to deter crime, protect the community, and support successful prosecutions. This equipment includes:

- **SERT Support Vehicle:** The Sheriff's Office is in the process of purchasing a specialized SERT (Sheriff's Emergency Response Team) support vehicle. The prior SERT Vehicle was a converted ambulance that had reached end of its useful life. This new vehicle will transport tactical gear and equipment used during high-risk operations. It will also provide secure storage and transport for explosive ordnance and related materials used by bomb technicians, with reinforced compartments and controlled access to meet Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) guidelines. These requirements ensure that explosive materials, detonators, and related devices are safely secured, properly separated, and transported in a manner that protects personnel, the public, and ongoing investigations. An approved bid waiver (Group Purchasing Program exemption) and proposed contract with Matthews Specialty Vehicles in the amount of **\$438,478.00** is included with this agenda item along with contract attachments reflecting the vehicle specifications and warranty. Matthews is a local business on

American Avenue in Greensboro.

- **Mobile Command Center:** The Guilford County Sheriff's Office Mobile Command Center is a specialized vehicle designed to provide a centralized location for command staff to coordinate operations during major incidents and emergency responses. It includes integrated communications systems, data connectivity, mapping capabilities, and workspace for incident commanders to manage personnel, resources, and real-time information during critical events such as large-scale investigations, natural disasters, and multi-agency operations. By bringing command and coordination capabilities directly to the scene, the Mobile Command Center enables leadership to maintain operational control and efficiently direct responding units in rapidly evolving situations. An approved bid waiver (Group Purchasing Program exemption) and proposed contract with Matthews Specialty Vehicles in the amount of **\$773,925.00** is included with this agenda item along with contract attachments reflecting the vehicle specifications and warranty.

Based on final costs and upfitting requirements for these two essential law enforcement assets, the total final cost for both vehicles is **\$1,212,403.00** which exceeds the FY26 budgeted amount by **\$87,403.00**. As such, the Sheriff's Office is seeking BOCC permission to use **\$88,000** in Federal Forfeiture Funds to complete the purchases.

Additionally, the Sheriff's Office is requesting:

- \$90,840 for gas masks for frontline deputies to enhance officer safety during crowd control and hazardous situations; and
- \$110,158 for additional Real Time Crime Center cameras to strengthen monitoring, support investigations, and improve real-time response capabilities.

The Sheriff's Office is also requesting the BOCC's authority to fund these necessary purchases using Federal Forfeiture Funds. Prior to approval of this action, the available balance

of these federal forfeiture funds is \$808,032, and the balance will be \$519,034 if the items are approved.

Requested Action:

1. Amend the General Fund budget ordinance to increase Law Enforcement's budget by \$288,998, with \$288,998 in Appropriated Fund Balance;
2. Approve purchase of 150 gas masks and accessories, as authorized by the cooperative purchasing exemption of G.S. 143-129(e)(3) for a total cost of \$90,840 from Dana Safety Supply through NC Sheriff's Association Cooperative Contract 26-03-0521;
3. Approve purchase of one SERT Support vehicle, as authorized by the cooperative purchasing exemption of G.S. 143-129(e)(3) for a total cost of \$438,478 from Matthews Specialty Vehicles through NC Sheriff's Association Cooperative Contract 25-05-0521R;
4. Approve purchase of one Mobile Command vehicle, as authorized by the cooperative purchasing exemption of G.S. 143-129(e)(3) for a total cost of \$773,925 from Matthews Specialty Vehicles through NC Sheriff's Association Cooperative Contract 25-05-0521R;
5. Approve purchase of 5 Plate Ranger Pro cameras, as authorized by the cooperative purchasing exemption of G.S. 143-129(e)(3) for a total cost of \$41,955 from Sound Thinking, Inc. through Sourcewell Cooperative Contract 030425-SND;
6. Approve purchase of 7 Motorola L6Q Quick-Deploy cameras and accessories, as authorized by the cooperative purchasing exemption of G.S. 143-129(e)(3) for a total cost of \$68,203 from Motorola Solutions through NC Sheriff's Association Cooperative Contract 25-04-0222R.

The Guilford County Sheriff's Office relies on specialized equipment to carry out its law enforcement duties. As public safety needs continue to evolve, so must the tools used to deter crime, protect the community, and support successful prosecutions.

The Sheriff's Office is seeking to appropriate \$75,000 from the Unauthorized Substance Tax Fund. The Sheriff's Office intends to use the funds to replace an aging DWI Task Force supervisor truck. Vehicle replacement funding over the last several years has been prioritized to address pursuit rated vehicles, Command Center, and SERT vehicles. A truck is required due to the need to pull trailers associated with DWI checkpoints and the DWI Educator trailer. The current balance of Unauthorized Substance Use Tax is \$705,506 and if this item is approved the remaining balance will be \$630,506.

Capital Chevrolet (NC State Contract 2510A)

The replacement truck is a 2026 Chevrolet Silverado 1500 Police Pursuit Vehicle will be purchased from Capital Chevrolet using State Contract for a total cost of the vehicle with law enforcement upfits, before tax and registration of **\$71,213**.

Requested Action:
