Interests & Experiences

Why are you interested in serving on a board or commission?

I have been volunteering on this committee for the past few years, and it is something that I truly enjoy doing. I love taking the time to visit each facility and make sure everything is the way it is supposed to be, and I love visiting with the residents and talking to them. I love being able to put a smile on their faces. This is very personal to me as my grandparents were in rest homes at a point in their life, and I feel doing this is something that I am supposed to do, which is being a voice for them if something is wrong, or just being a smile to brighten up their day.

I do marketing contract work, and I graduated from the University of North Carolina Greensboro. I volunteer for several organizations in the community. For example I sit on the Alumni board of directors at UNCG, I started my own cheer squad for girls with physical and mental disabilities, and I am a wish granter for the Make a Wish Foundation, just to name a few. I have also won several awards in Guilford County for my volunteer work. They include, The Rising Star of Greensboro, Presidents Award, Governors Award, UNCG Young Alumni of the Year Award, and Glamour Magazine Woman of the Year Runner Up, just to name a few.
