Interests & Experiences

Why are you interested in serving on a board or commission?

I have been involved in Real Estate and Building for the past 20-25 years. I'm excited about the changes and growth in downtown High Point, and hope to see this continue. I am a native of High Point and want to help where I can, to see our city shine! I have enjoyed being on the Planning and Zoning Commission for the past six years, and feel that it's a good fit for me to share my experience and learn from others on the P&Z Commission - so I would like to apply to serve another term on the High Point Planning and Zoning Commission.
