Guilford County Animal Services Board

District 3

County Commissioner District

Interests & Experiences

Why are you interested in serving on a board or commission?

I feel it is very important for members of the community to be a support/advisory system to the Animal Services Department and play an instrumental roll in building a bridge between the community and the Animal Services Department.

Question applies to Guilford County Animal Services Board.

Please list your experiences with animal services, animal control, and animal rescues; and discuss your ideas for improving the well-being of pets and the animal population, in general, within Guilford County.

Volunteer Guilford County Animal Shelter 19 Years. Started the PetSmart Cat Adoption Program for GCAS (won a National Award twice). Community Animal Rescue Volunteer 22 years. NC Community Leader and Fundraising Coordinator for Carolina Basset Hound Rescue. Transport Assistant for CBHR. Started The Haley Graves Foundation in 2013 after seeing a first hand need for a mixed breed rescue in Guilford County. Started one of the largest adoption events and fundraisers for GCAS and The Haley Graves Foundation in 2007 Bark and Wine held annually in Greensboro. I feel Animal Services needs a stronger support system from the community. We need more community involvement. We have a wonderful shelter, a great support system from our CC and leaders. We need to move forward and continue to build bridges. We need to have off-site adoptions events and fundraisers to support extra efforts for our animal welfare needs. Open the shelter to National Adoption Events. Look into programs that are working at other shelters and implement them at our shelter. I believe we need to start with education, education is the key to change. By mending these great relationships with rescues (which has been done) the educational process has begun. The process for change has begun, we just need to keep moving forward and support those who are helping that change.
