**Why are you interested in serving on a board or commission?**

I am a community organizer with 25 years of educational experience. I have a passion for the children of Guilford County. I truly believe our community must invest in the overall wellness of our children to ensure community health. There must be a concerted effort to evaluate community resources and programs to ensure they truly meet the needs of all children in the county. As a mother, community member, educator, and leader, I want to be an effective part of the solution to improve outcomes for the children of Guilford County.
