Interests & Experiences

Why are you interested in serving on a board or commission?

I recognize the importance of libraries to the community and all residents. The library was an important part of my childhood by providing access to books and research and other resources. Having worked in the federal government and as a fellow of the NC Institute of Political Leadership, I understand budgeting, balance sheets, etc. I'm also a graduate of the Guilford County Citizens Academy. I currently have the responsibility of serving as the chair of the Board of Trustees. As the chair I have advocated for additional funding, supported GPL Foundations fundraising activities, and represented the board at community activities.
