Re: FY 2027 Section 5310 Application-Guilford County Transportation & Mobility Services

Dear Brennon:

The Greensboro Urban Area Metropolitan Planning Organization (GUAMPO) supports the application from Guilford County requesting FY 2027 Section 5310 Enhanced Mobility for Seniors and Individuals with Disabilities funding to support operating expenses for TAMS services for seniors and individuals with disabilities.

The MPO has long supported Guilford County in its mission to provide transportation services to those who need them, including seniors and individuals with disabilities. The requested FY 2027 Section 5310 grant would be very helpful to the County in fulfilling that mission. Also, the requested grant and services to be provided are consistent with and provided for the in adopted Coordinated Human Services Transportation Plan as demonstrated by the following excerpt from *Table 1 – Project Types that May be Considered for Section 5310 Funding* in the current plan, as adopted in June 2024.

Guilford County Transportation and Mobility Services
