To the Guilford County Board of Commissioners,

The Guilford County Board of Adjustment is requesting exemption from the two (2) term limit for Ms. Ditra Miller and recommending reappointment for another term. Ms. Miller has regularly attended scheduled meetings and has served in leadership capacity as chairperson for the board from January 2014 to January 2016.

Ms. Miller provides a valuable, mandated service to Guilford County citizens. The level of skill and dedication required for this board presents a challenge when recruiting volunteers. We rely on seasoned members, such as Ms. Ditra Miller to provide the level of knowledge and experience to review and vote on variance and interpretation requests.

Again, we respectfully request Ms. Ditra Miller term limits waived and recommend reappointment for another term on the Guilford County Board of Adjustment

Sincerely,
