

April 11, 2016

To the Guilford County Board of Commissioners,

The Environmental Review Board is requesting exemption from the two (2) term limit for Mr. Ed Payne and recommending reappointment for another term. Mr. Ed Payne has regularly attended scheduled meetings and served the Environmental Review Board since 2009.

The Environmental Review Board provides a valuable, mandated service to Guilford County citizens. The level of skill and dedication required for this board presents a challenge when recruiting volunteers. We rely on seasoned members, such as Mr. Ed Payne, Principal Engineer, Gilbarco Veeder-Root, Danaher Corporation to provide the level of engineering knowledge and experience to the board with over 28 years of experience in environmental control systems.

Again, we respectfully request Mr. Ed Payne term limits waived and recommend reappointment for another term on the Environmental Review Board.

Sincerely,

Frank Park, Board Liaison
