Interests & Experiences

Why are you interested in serving on a board or commission?

I am very passionate about working with the youth in this area. I serve as a Community Connector with The Greensboro Police Department - in that role we do a lot of work in the schools. My husband and I also founded a non-profit (Youth of NC) which works to build resilience against ACEs (Adverse Childhood Experiences) in youth. We host Resilience Summits and work closely with The Resilient Courts Task Force. I believe that I can serve the community well as a member of the JCPC because of the passion and connections that I can bring.
