CLAIM INFORMATION

LIFE INSURANCE

WHEN DO YOU OR YOUR AUTHORIZED REPRESENTATIVE NOTIFY UNUM OF A CLAIM?

We encourage you or your authorized representative to notify us as soon as possible, so that a claim decision can be made in a timely manner.

If a claim is based on your disability, written notice and proof of claim must be sent no later than 90 days after the end of the elimination period.

If a claim is based on death, written notice and proof of claim must be sent no later than 90 days after the date of death.

If it is not possible to give proof within these time limits, it must be given as soon as reasonably possible.

The claim form is available from your Employer, or you or your authorized representative can request a claim form from us. If you or your authorized representative does not receive the form from Unum within 15 days of the request, send Unum written proof of claim without waiting for the form.

If you have a disability, you must notify us immediately when you return to work in any capacity, regardless of whether you are working for your Employer.

HOW DO YOU FILE A CLAIM FOR A DISABILITY?

You or your authorized representative, and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

If your claim is based on your disability, your proof of claim, provided at your expense, must show:

- that you are under the **regular care** of a **physician**;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation or any gainful occupation; and
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician until you have reached your maximum point of recovery. This proof, provided at your expense, must be received within 45 days of a request by us.

Once you have reached your maximum point of recovery, we may periodically request that you be examined by a physician. The results of such an examination, provided at Unum's expense, must be received within 30 days of a request by us.

If claim is based on death, proof of claim, provided at your or your authorized representative's expense, must show the cause of death. Also a certified copy of the death certificate must be given to us.

In some cases, you will be required to give Unum authorization to obtain additional medical and non-medical information as part of your proof of claim or proof of continuing disability. Unum will deny your claim if the appropriate information is not submitted.

HOW DO YOU DESIGNATE OR CHANGE A BENEFICIARY? (Beneficiary Designation)

At the time you become insured, you should name a beneficiary on your enrollment form for your death benefits under your life insurance. You may change your beneficiary at any time by filing a form approved by Unum with your Employer. The new beneficiary designation will be effective as of the date you sign that form. However, if we have taken any action or made any payment before your Employer receives that form, that change will not go into effect.

It is important that you name a beneficiary and keep your designation current. If more than one beneficiary is named and you do not designate their order or share of payments, the beneficiaries will share equally. The share of a beneficiary who dies before you, or the share of a beneficiary who is disqualified, will pass to any surviving beneficiaries in the order you designated.

If you do not name a beneficiary, or if all named beneficiaries do not survive you, or if your named beneficiary is disqualified, your death benefit will be paid to your estate.

Instead of making a death payment to your estate, Unum has the right to make payment to the first surviving family members of the family members in the order listed below:

- spouse;
- child or children;
- mother or father; or
- sisters or brothers.

If we are to make payments to a beneficiary who lacks the legal capacity to give us a release, Unum may pay up to \$3,000 to the person or institution that appears to have assumed the custody and main support of the beneficiary. This payment made in good faith satisfies Unum's legal duty to the extent of that payment and Unum will not have to make payment again.

Also, at Unum's option, we may pay up to \$250 to the person or persons who, in our opinion, have incurred expenses for your last sickness and death.

In addition, if you do not survive your spouse, and dependent life coverage is continued, then your surviving spouse should name a beneficiary according to the requirements specified above for you.

HOW WILL UNUM MAKE PAYMENTS?

If your or your dependent's life claim is at least \$10,000, Unum will make available to the beneficiary a **retained asset account** (the Unum Security Account).

Payment for the life claim may be accessed by writing a draft in a single sum or drafts in smaller sums. The funds for the draft or drafts are fully guaranteed by Unum.

If the life claim is less than \$10,000, Unum will pay it in one lump sum to you or your beneficiary.

Also, you or your beneficiary may request the life claim to be paid according to one of Unum's other settlement options. This request must be in writing in order to be paid under Unum's other settlement options.

If you do not survive your spouse, and dependent life coverage is continued, then your surviving spouse's death claim will be paid to your surviving spouse's beneficiary.

All other benefits will be paid to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud; and
- any error Unum makes in processing a claim.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

WHAT ARE YOUR ASSIGNABILITY RIGHTS FOR THE DEATH BENEFITS UNDER YOUR LIFE INSURANCE? (Assignability Rights)

The rights provided to you by the plan for life insurance are owned by you, unless:

- you have previously assigned these rights to someone else (known as an "assignee"); or
- you assign your rights under the plan(s) to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by you, and acceptable to us in form; and
- a signed or certified copy of the written assignment has been received and registered by us at our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the plan(s) provisions before receiving and registering an assignment.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your **waiting period**.

WHEN DOES YOUR COVERAGE BEGIN?

This plan provides a different benefit option in addition to the basic benefit. When you first become eligible for coverage, you may apply for the additional benefit option.

Your Employer pays 100% of the cost of your coverage under the basic benefit. You will automatically be covered under the basic benefit at 12:01 a.m. on the later of:

- the date you are eligible for coverage; or
- the date Unum approves your evidence of insurability form, if **evidence of insurability** is required.

When you and your Employer share the cost of your coverage for any option under a plan or when you pay 100% of the cost yourself for any option, you will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or
- the date Unum approves your evidence of insurability form, if evidence of insurability is required.

WHEN CAN YOU APPLY FOR THE ADDITIONAL BENEFIT OPTION IF YOU APPLY MORE THAN 31 DAYS AFTER YOUR ELIGIBILITY DATE? (LATE ENTRANTS)

You can apply for the additional benefit option only during an **annual enrollment period** or within 31 days of a **change in status**. Evidence of insurability is required for any amount of insurance.

Unum and your Employer determine when the annual enrollment period begins and ends. Coverage will begin at 12:01 a.m. on the date Unum approves your evidence of insurability form.

WHEN CAN YOU CHANGE YOUR COVERAGE BY CHOOSING ANOTHER ADDITIONAL BENEFIT OPTION? (This does not apply to Late Entrants)

All Benefited Employees, except County Commissioners

You can change your coverage by applying for a different additional benefit option only during an annual enrollment period or within 31 days of a change in status.

You can decrease your coverage any number of levels.

Evidence of insurability is required for any amount of life insurance.

If you are not approved for the increase in your coverage, you will automatically remain at the same level you had prior to applying for the increase.

Unum and your Employer determine when the annual enrollment period begins and ends. A change in coverage that is made during an annual enrollment period will begin at 12:01 a.m. on the later of:

- the first day of the next plan year; or
- the date Unum approves your evidence of insurability form.

A change in coverage due to a change in status will begin at 12:01 a.m. on the date Unum approves your evidence of insurability form.

Changes in coverage must be consistent with the change in status.

If you end employment and are rehired within the same plan year, you may be insured on the eligibility date for the coverage that you had under the plan when you ended employment. You cannot change your coverage until the next annual enrollment period or change in status.

An evidence of insurability form can be obtained from your Employer.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the date you return to **active employment**.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE NOT WORKING DUE TO INJURY OR SICKNESS?

If you are not working due to injury or sickness, and if premium is paid, you may continue to be covered up to your retirement date.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a temporary **layoff**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

If you are on a **leave of absence**, and if premium is paid, you will be covered for 1 year following the month in which your leave of absence begins.

WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage due to a change in your annual earnings or due to a plan change requested by your Employer will take effect immediately or on the date Unum approves your evidence of insurability form, if evidence of insurability is required. You must be in active employment or on a covered layoff or leave of absence.

If you are not in active employment due to injury or sickness, any increased or additional coverage due to a change in your annual earnings or due to a plan change will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the Summary of Benefits or a plan ends on the earliest of:

- the date your eligible group is no longer covered;
- the end of the month for which you made any required contributions:
 - if you no longer are in an eligible group; or
 - if you no longer are in active employment unless continued due to a covered layoff or leave of absence or due to an injury or sickness, as described in this certificate of coverage;
- the date the Summary of Benefits or a plan is cancelled. In addition to non-payment of premium, Unum may cancel the Summary of Benefits or a plan if:
 - participation requirements are not met;
 - fewer than 15 employees are insured under a plan;
 - the Employer does not promptly provide Unum with information that is reasonably required;
 - the Employer fails to perform any of its obligations that relate to the Summary of Benefits;
 - the Employer does not promptly report to Unum the names of any employees who are added or deleted from the eligible group; or
 - Unum determines that there is a significant change, in the size, occupation or age of the eligible group as a result of a corporate transaction such as a merger, divestiture, acquisition, sale, or reorganization of the Employer and/or its employees.

Unum will provide coverage for a payable claim which occurs while you are covered under the Summary of Benefits or plan.

WHEN ARE YOU ELIGIBLE TO ELECT DEPENDENT COVERAGE?

If you elect coverage for yourself or are insured under the plan, you are eligible to elect dependent coverage for your spouse only, your dependent children only or both.

WHEN ARE YOUR DEPENDENTS ELIGIBLE FOR COVERAGE?

The date your dependents are eligible for coverage is the later of:

- the date your insurance begins; or
- the date you first acquire a dependent.

WHAT DEPENDENTS ARE ELIGIBLE FOR COVERAGE?

The following dependents are eligible for coverage under the plan:

- Your lawful spouse, including a legally separated spouse. You may not cover your spouse as a dependent if your spouse is enrolled for coverage as an employee.
- Your unmarried children from live birth but less than age 26. Stillborn children are not eligible for coverage.
- Your unmarried **handicapped** dependent children age 26 or over who became handicapped prior to the child's attainment of age 26.

Unum must receive proof within 31 days of the date the child is eligible for coverage under this Summary of Benefits, and as required during the first two years. After the first two years, Unum will ask for proof when needed, but not more than once a year.

Children include your own natural offspring, lawfully adopted children and stepchildren. They also include foster children and other children who are dependent on you for main support and living with you in a regular parent-child relationship. A child will be considered adopted on the date of placement in your home.

No dependent child may be covered by more than one employee in the plan.

No dependent child can be covered as both an employee and a dependent.

WHEN DOES YOUR DEPENDENT COVERAGE BEGIN?

This plan provides different benefit options for your dependents. When your dependents become eligible for coverage, you may apply for any dependent option. However, your dependents cannot be covered under more than one option at a time.

When you and your Employer share the cost of your dependent coverage for any option under a plan or when you pay 100% of the cost yourself for any option, your dependents will be covered at 12:01 a.m. on the latest of:

- the date your dependents are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for dependent insurance, if you apply within 31 days after your dependent's eligibility date; or
- the date Unum approves your dependent's evidence of insurability form, if evidence of insurability is required.

WHEN CAN YOU APPLY FOR DEPENDENT COVERAGE IF YOU APPLY MORE THAN 31 DAYS AFTER YOUR DEPENDENTS' ELIGIBILITY DATE? (Late Entrants)

You can apply for dependent coverage only during an annual enrollment period or within 31 days of a change in status. Evidence of insurability is required for any amount of dependent life insurance.

Unum and your Employer determine when the annual enrollment period begins and ends. Dependent coverage will begin at 12:01 a.m. on the date Unum approves your dependent's evidence of insurability form.

WHEN CAN YOU CHANGE YOUR DEPENDENT COVERAGE BY CHOOSING ANOTHER OPTION? (This does not apply to Late Entrants)

You can change your dependent coverage by applying for a different option only during an annual enrollment period or within 31 days of a change in status. You can increase or decrease your dependent coverage by any number of levels.

Evidence of insurability is required for any amount of dependent life insurance.

If your dependent is not approved for the increase in coverage, your dependent will automatically remain at the same level your dependent had prior to applying for the increase.

Unum and your Employer determine when the annual enrollment period begins and ends. A change in coverage that is made during an annual enrollment period will begin at 12:01 a.m. on the later of:

- the first day of the next plan year; or
- the date Unum approves your dependent's evidence of insurability form.

A change in coverage due to a change in status will begin at 12:01 a.m. on the date Unum approves your dependent's evidence of insurability form.

Changes in coverage must be consistent with the change in status.

An evidence of insurability form for your dependents can be obtained from your Employer.

WHAT IF YOUR DEPENDENT IS TOTALLY DISABLED ON THE DATE YOUR DEPENDENT'S COVERAGE WOULD NORMALLY BEGIN?

If your eligible dependent is **totally disabled**, your dependent's coverage will begin on the date your eligible dependent no longer is totally disabled. This provision does not apply to a newborn child while dependent insurance is in effect.

WHEN WILL CHANGES TO YOUR DEPENDENT'S COVERAGE TAKE EFFECT?

Once your dependent's coverage begins, any increased or additional dependent coverage due to a plan change requested by your Employer will take effect immediately or on the date Unum approves your dependent's evidence of insurability form, if evidence of insurability is required, provided your dependent is not totally disabled. You must be in active employment or on a covered layoff or leave of absence.

If you are not in active employment due to injury or sickness, any increased or additional dependent coverage due to a plan change will begin on the date you return to active employment.

If your dependent is totally disabled, any increased or additional dependent coverage will begin on the date your dependent is no longer totally disabled.

Any decreased coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

WHEN DOES YOUR DEPENDENT'S COVERAGE END?

Your dependent's coverage under the Summary of Benefits or a plan ends on the earliest of:

- the date your eligible group is no longer covered;
- the date of your death;
- the end of the month for which you made any required contributions:
 - if you no longer are in an eligible group; or
 - if you no longer are in active employment unless continued due to a covered layoff or leave of absence or due to an injury or sickness, as described in this certificate of coverage;
- the date the Summary of Benefits or a plan is cancelled. In addition to non-payment of premium, Unum may cancel the Summary of Benefits or a plan if:
 - participation requirements are not met;
 - fewer than 15 employees are insured under a plan;
 - the Employer does not promptly provide Unum with information that is reasonably required;
 - the Employer fails to perform any of its obligations that relate to the Summary of Benefits;
 - the Employer does not promptly report to Unum the names of any employees who are added or deleted from the eligible group; or
 - Unum determines that there is a significant change, in the size, occupation or age of the eligible group as a result of a corporate transaction such as a merger, divestiture, acquisition, sale, or reorganization of the Employer and/or its employees.

Coverage for any one dependent will end on the earliest of:

- the date your coverage under a plan ends;
- the date your dependent ceases to be an eligible dependent;
- for a spouse, the date of divorce or annulment.

Unum will provide coverage for a payable claim which occurs while your dependents are covered under the Summary of Benefits or plan.

WILL COVERAGE CONTINUE FOR A HANDICAPPED CHILD INSURED UNDER THE PLAN WHO IS AGE 26 OR OVER?

Coverage will continue for a child age 26 or over who is handicapped, provided:

- the child is currently insured under the plan; and
- the child is unmarried; and
- you are the main source of support and maintenance.

Unum must receive proof within 31 days of the date the child attains 26 and as required during the first two years. After the first two years, Unum will ask for proof when needed, but not more than once a year.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You or your authorized representative can start legal action regarding a claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you or your Employer make in a signed application for coverage or an evidence of insurability form a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application or an evidence of insurability form as a basis for doing this.

Unum can take action only in the first 2 years coverage is in force.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE SUMMARY OF BENEFITS REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The Summary of Benefits does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For the purposes of the Summary of Benefits, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

LIFE INSURANCE

BENEFIT INFORMATION

WHEN WILL YOUR BENEFICIARY RECEIVE PAYMENT?

Your beneficiary(ies) will receive payment when Unum approves your death claim.

WHAT DOCUMENTS ARE REQUIRED FOR PROOF OF DEATH?

Unum will require a certified copy of the death certificate, enrollment documents and a Notice and Proof of Claim form.

HOW MUCH WILL UNUM PAY YOU IF UNUM APPROVES YOUR DEPENDENT'S DEATH CLAIM?

Unum will determine the payment according to the amount of insurance shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

HOW MUCH WILL UNUM PAY YOUR BENEFICIARY IF UNUM APPROVES YOUR DEATH CLAIM?

Unum will determine the payment according to the amount of insurance shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

WHAT ARE YOUR ANNUAL EARNINGS?

"Annual Earnings" means your gross annual income from your Employer in effect just prior to the date of loss. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, any other extra compensation or income received from sources other than your Employer.

WHAT WILL WE USE FOR ANNUAL EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your annual earnings from your Employer in effect just prior to the date your absence began.

WHAT HAPPENS TO YOUR LIFE INSURANCE COVERAGE IF YOU BECOME DISABLED?

Your life insurance coverage may be continued for a specific time and your life insurance premium will be waived if you qualify as described below.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO HAVE LIFE PREMIUMS WAIVED?

You must be disabled through your **elimination period**.

Your elimination period is 9 months.

WHEN WILL YOUR LIFE INSURANCE PREMIUM WAIVER BEGIN?

Your life insurance premium waiver will begin when we approve your claim, if the elimination period has ended and you meet the following conditions. Your Employer may continue premium payments until Unum notifies your Employer of the date your life insurance premium waiver begins.

Your life insurance premium will be waived if you meet these conditions:

- you are less than 60 and insured under the plan.
- you become disabled and remain disabled during the elimination period.
- you meet the notice and proof of claim requirements for disability while your life insurance is in effect or within three months after it ends.
- your claim is approved by Unum.

After we approve your claim, Unum does not require further premium payments for you while you remain disabled according to the terms and provisions of the plan.

Your life insurance amount will not increase while your life insurance premiums are being waived. Your life insurance amount will reduce or cease at any time it would reduce or cease if you had not been disabled.

WHEN WILL YOUR LIFE INSURANCE PREMIUM WAIVER END?

The life insurance premium waiver will automatically end if:

- you recover and you no longer are disabled;
- you fail to give us proper proof that you remain disabled;
- you refuse to have an examination by a physician chosen by Unum; or
- you reach age 65 or your retirement date, whichever occurs first.

You will not be considered retired or reaching your retirement date if you are receiving disability payments under:

- the United States Social Security Act; or
- any similar **law, plan or act**; or
- your Employer's **Retirement Plan**.

However, you will be considered retired if you are receiving retirement benefits.

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- during the elimination period, you are not working in any occupation due to your **injury** or **sickness**; and
- after the elimination period, due to the same injury or sickness, you are unable to perform the duties of any **gainful occupation** for which you are reasonably fitted by training, education or experience.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

APPLYING FOR LIFE INSURANCE PREMIUM WAIVER

Ask your Employer for a life insurance premium waiver claim form.

The form has instructions on how to complete and where to send the claim.

DISABILITY - ONE YEAR CONTINUANCE

If your death occurs within 1 year after the last day Unum no longer requires premium payment for you, the amount of your death benefit will be paid if the following conditions are met:

- you became disabled while insured;
- you became disabled on or after your 60th birthday, but before your 65th birthday;
- you remained continuously disabled during the elimination period and until your death; and
- within one year after your death, your authorized representative furnishes proof to Unum that you met the conditions listed above.

WHAT INSURANCE IS AVAILABLE WHILE YOU ARE SATISFYING THE DISABILITY REQUIREMENTS OR WHEN THE DISABILITY - ONE YEAR CONTINUANCE ENDS? (See Conversion Privilege)

You may use this life conversion privilege when your life insurance terminates while you are satisfying the disability requirements. Please refer to the conversion privilege below. You are not eligible to apply for this life conversion if you return to work and, again, become covered under the plan.

If an individual life insurance policy is issued to you, any benefit for your death under this plan will be paid only if the individual policy is returned for surrender to Unum. Unum will refund all premiums paid for the individual policy.

The amount of your death benefit will be paid to your named beneficiary for the plan. If, however, you named a different beneficiary for the individual policy and the policy is returned to Unum for surrender, that different beneficiary will not be paid.

If you want to name a different beneficiary for this group plan, you must change your beneficiary as described in the Beneficiary Designation page of this group plan.

WHAT INSURANCE IS AVAILABLE WHEN COVERAGE ENDS? (Conversion Privilege)

When coverage ends under the plan, you and your dependents can convert your coverages to individual life policies, without evidence of insurability. The maximum amounts that you can convert are the amounts you and your dependents are insured for under the plan. You may convert a lower amount of life insurance.

You and your dependents must apply for individual life insurance under this life conversion privilege and pay the first premium within 31 days after the date:

- your employment terminates; or
- you or your dependents no longer are eligible to participate in the coverage of the plan.

If you convert to an individual life policy, then return to work, and, again, become insured under the plan, you are not eligible to convert to an individual life policy again. However, you do not need to surrender that individual life policy when you return to work.

Converted insurance may be of any type of the level premium whole life plans then in use by Unum. The person may elect one year of Preliminary Term insurance under the level premium whole life policy. The individual policy will not contain disability or other extra benefits.

WHAT LIMITED CONVERSION IS AVAILABLE IF THE SUMMARY OF BENEFITS OR THE PLAN IS CANCELLED? (Conversion Privilege)

You and your dependents may convert a limited amount of life insurance if you have been insured under your Employer's group plan with Unum for at least five (5) years and the Summary of Benefits or the plan:

- is cancelled with Unum; or
- changes so that you no longer are eligible.

The individual life policy maximum for each of you will be the lesser of:

- \$10,000; or
- your or your dependent's coverage amounts under the plan less any amounts that become available under any other group life plan offered by your Employer within 31 days after the date the Summary of Benefits or the plan is cancelled.

PREMIUMS

Premiums for the converted insurance will be based on:

- the person's then attained age on the effective date of the individual life policy;
- the type and amount of insurance to be converted;
- Unum's customary rates in use at that time; and
- the class of risk to which the person belongs.

If the premium payment has been made, the individual life policy will be effective at the end of the 31 day conversion application period.

DEATH DURING THE THIRTY-ONE DAY CONVERSION APPLICATION PERIOD

If you or your dependents die within the 31 day conversion application period, Unum will pay the beneficiary(ies) the amount of insurance that could have been converted. This coverage is available whether or not you have applied for an individual life policy under the conversion privilege.

APPLYING FOR CONVERSION

Ask your Employer for a conversion application form which includes cost information.

When you complete the application, send it with the first premium amount to:

WILL UNUM ACCELERATE YOUR OR YOUR DEPENDENT'S DEATH BENEFIT FOR THE PLAN IF YOU OR YOUR DEPENDENT BECOMES TERMINALLY ILL? (Accelerated Benefit)

If you or your dependent becomes terminally ill while you or your dependent is insured by the plan, Unum will pay you a portion of your or your dependent's life insurance benefit one time. The payment will be based on 75% of your or your dependent's life insurance amount. However, the one-time benefit paid will not be greater than \$250,000.

Your or your dependent's right to exercise this option and to receive payment is subject to the following:

- you or your dependent requests this election, in writing, on a form acceptable to Unum;
- you or your dependent must be terminally ill at the time of payment of the Accelerated Benefit;
- your or your dependent's physician must certify, in writing, that you or your dependent is terminally ill and your or your dependent's life expectancy has been reduced to less than 12 months; and
- the physician's certification must be deemed satisfactory to Unum.

The Accelerated Benefit is available on a voluntary basis.

Premium payments must continue to be paid on the full amount of life insurance unless you qualify to have your life premium waived.

Also, premium payments must continue to be paid on the full amount of your dependent's life insurance.

If you have assigned your rights under the plan to an assignee or made an irrevocable beneficiary designation, Unum must receive consent, in writing, that the assignee or irrevocable beneficiary has agreed to the Accelerated Benefit payment on your behalf in a form acceptable to Unum before benefits are payable.

An election to receive an Accelerated Benefit will have the following effect on other benefits:

- the death benefit payable will be reduced by any amount of Accelerated Benefit that has been paid; and
- any amount of life insurance that would be continued under a disability continuation provision or that may be available under the conversion privilege will

be reduced by the amount of the Accelerated Benefit paid. The remaining life insurance amount will be paid according to the terms of the Summary of Benefits subject to any reduction and termination provisions.

Benefits paid may be taxable. Unum is not responsible for any tax or other effects of any benefit paid. As with all tax matters, you or your dependent should consult your personal tax advisor to assess the impact of this benefit.

WHAT LOSSES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any losses where death is caused by, contributed to by, or results from:

- suicide occurring within 24 months after your or your dependent's initial effective date of insurance; and
- suicide occurring within 24 months after the date any increases or additional insurance become effective for you or your dependent.

The suicide exclusion will apply to any amounts of insurance for which you pay all or part of the premium.

The suicide exclusion also will apply to any amount that is subject to evidence of insurability requirements and Unum approves the evidence of insurability form and the amount you or your dependent applied for at that time.

It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, any other extra compensation or income received from sources other than your Employer.

WHAT WILL WE USE FOR ANNUAL EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you have an accidental bodily injury that results in one or more of the covered losses while you are on a covered layoff or leave of absence, we will use your annual earnings from your Employer in effect just prior to the date your absence began.

Unum will pay an additional benefit for the preparation and transportation of your body to a mortuary chosen by you or your authorized representative. Payment will be made if, as the result of a covered accident, you suffer loss of life at least 75 miles away from your principal place of residence.

However, when combined with two or more Unum accidental death and dismemberment insurance plans, the combined overall maximum for these plans together cannot exceed the actual expenses for the preparation and transportation of your body to a mortuary.

The maximum benefit amount is shown in the ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE "**BENEFITS AT A GLANCE**" page.

WHAT SEATBELT(S) AND AIR BAG BENEFIT WILL UNUM PROVIDE?

For Seatbelt(s):

Also, if such certification is not available, and it is clear that you were properly wearing seatbelt(s), then we will pay the additional seatbelt benefit.

However, if such certification is not available, and it is unclear whether you were properly wearing seatbelt(s), then we will pay a fixed benefit of \$1,000.

For Air Bag:

- the Private Passenger Car is equipped with a single air bag and you are the driver; or
- the Private Passenger Car is equipped with an air bag for both the driver and an air bag for the front passenger seat and you are the driver or front seat passenger; or

- the seatbelt(s) must be in actual use and properly fastened at the time of the covered accident.

No benefit will be paid if you are the driver of the Private Passenger Car and do not hold a current and valid driver's license.

The accident causing your death must occur while you are insured under the plan.

The maximum benefit amount is shown in the ACCIDENTAL DEATH AND DISMEMBERMENT **"BENEFITS AT A GLANCE"** page.

ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

OTHER BENEFIT FEATURES

WHAT COVERAGE IS AVAILABLE IF YOU END EMPLOYMENT OR YOU WORK REDUCED HOURS? (Portability)

If your employment ends with or you retire from your Employer or you are working less than the minimum number of hours as described under Eligible Groups in this plan, you may elect portable coverage for yourself.

PORTABLE INSURANCE COVERAGE AND AMOUNTS AVAILABLE

The portable insurance coverage will be the current coverage and amounts that you are insured for under your Employer's group plan.

However, the amount of portable coverage for you will not be more than:

- the highest amount of accidental death and dismemberment insurance available for employees under the plan; or
- 5x your annual earnings; or
- \$750,000 from all Unum group life and accidental death and dismemberment plans combined,

whichever is less.

The amount of ported life insurance must be equal to or greater than the amount of ported accidental death and dismemberment insurance.

The minimum amount of coverage that can be ported is \$5,000. If the current amounts under the plan are less than \$5,000, you may port the lesser amounts.

Your amount of AD&D insurance will reduce or cease at any time it would reduce or cease for your eligible group if you had continued in active employment with your Employer.

APPLYING FOR PORTABLE COVERAGE

You must apply for portable coverage for yourself and pay the first premium within 31 days after the date:

- your coverage ends or you retire from your Employer; or
- you begin working less than the minimum number of hours as described under Eligible Groups in this plan.

You are not eligible to apply for portable coverage for yourself if:

- the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates); or
- you failed to pay the required premium under the terms of this plan.

APPLYING FOR INCREASES OR DECREASES IN PORTABLE COVERAGE

You may increase or decrease the amount of AD&D insurance coverage. The minimum and maximum benefit amounts are shown above. However, the amount of accidental death and dismemberment insurance coverage cannot be decreased below \$5,000. Portable coverage will reduce at the ages and amounts shown in the ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE "**BENEFITS AT A GLANCE**" page.

WHEN PORTABLE COVERAGE ENDS

Portable coverage for you will end for the following reasons:

- the date you fail to pay any required premium; or
- the date the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates).

If portable coverage ends due to failure to pay required premium, portable coverage cannot be reinstated.

PREMIUM RATE CHANGES FOR PORTABLE COVERAGE

Unum may change premium rates for portable coverage at any time for reasons which affect the risk assumed, including those reasons shown below:

- changes occur in the coverage levels;
- changes occur in the overall use of benefits by all insureds;
- changes occur in other risk factors; or
- a new law or a change in any existing law is enacted which applies to portable coverage.

The change in premium rates will be made on a class basis according to Unum's underwriting risk studies. Unum will notify the insured in writing at least 31 days before a premium rate is changed.

**Additional Claim and Appeal Information
Relative to the Summary of Benefits issued by
Unum Life Insurance Company of America ("Unum")**

APPLICABILITY OF ERISA

If the Summary of Benefits provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the Summary of Benefits, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the Summary of Benefits, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

If a claim is based on death, a covered loss not based on disability or for the Education Benefit

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

If a claim is based on your disability

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

If an appeal is based on death, a covered loss not based on disability or for the Education Benefit

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;
- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and
- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt

of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those Summary of Benefits' provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

If an appeal is based on your disability

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the

Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the Summary of Benefits. You agree that Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.

**Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or summary of benefits
and effective for claims filed on or after April 1, 2018.**

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or summary of benefits conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).

We do not share your health NPI to market any product or service. We also do not share any NPI to market non-financial products and services.

The law allows us to share NPI as described above (except health information) with affiliates to market financial products and services. The law does not allow you to restrict these disclosures. We may also share with companies that help us market our insurance products and services, such as vendors that provide mailing services to us. We may share with other financial institutions to jointly market financial products and services. When required by law, we ask your permission before we share NPI for marketing purposes.

When other companies help us conduct business, we expect them to follow applicable privacy laws. We do not authorize them to use or share NPI except when necessary to conduct the work they are performing for us or to meet regulatory or other governmental requirements.

Unum companies, including insurers and insurance service providers, may share NPI about you with each other. The NPI might not be directly related to our transaction or experience with you. It may include financial or other personal information such as employment history. Consistent with the Fair Credit Reporting Act, we ask your permission before sharing NPI that is not directly related to our transaction or experience with you.

**NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS
UNDER THE NORTH CAROLINA LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member companies for the money to pay the claims of the insured person who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for a policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce the purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of the insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.
- They acquired rights to receive payment through a structured settlement factoring transaction.

The association also does **not** provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered;
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
- (2) Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
