rdougher@eagles.nccu.edu ronasiadougherty30@gmail.com [Date] Guilford County Board of Commissioners 301 W Market St. Greensboro, NC 27401 Dear Members of the Guilford County Board of Commissioners, I am writing to express my interest in serving on the Guilford County Board of Adjustment. As a committed and driven resident of Greensboro, I am eager to apply my growing background in business, leadership, and community engagement to support the county's goals for fair and balanced development. Currently pursuing a Bachelor of Business Administration in Marketing at North Carolina Central University, I have been actively involved in professional development organizations such as the American Marketing Association and have been honored as a Thurgood Marshall College Fund Scholar. These experiences have strengthened my leadership, communication, and problem-solving skills—qualities essential to a constructive and informed Board of Adjustment member. My background also includes participation in the Road to Hire internship, where I gained hands-on experience in digital marketing, business development, and technical skills such as coding and data analytics. In addition to this, I've worked in fast-paced roles that required precision, adaptability, and teamwork. I bring this same energy and work ethic to every opportunity, along with a sincere desire to contribute meaningfully to my community. Joining the Board of Adjustment would be an exciting opportunity for me to learn from experienced leaders while offering a fresh, thoughtful perspective on land use and zoning issues that affect our neighborhoods. I am enthusiastic about being part of a board that ensures fair hearings and equitable decisions for residents and developers alike. Thank you for considering my application. I welcome the opportunity to further discuss how I can be an asset to the Board of Adjustment and to Guilford County. Please feel free to contact me at your convenience. Sincerely, Ronasia Dougherty

Question applies to multiple boards

Briefly list your professional, educational and volunteer experiences that are most relevant to the mission and duties of this board:

1. Educational Background in Business Administration (Marketing), North Carolina Central University Currently pursuing a BBA with a focus on marketing, equipping me with critical thinking, communication, and business strategy skills relevant to understanding the implications of zoning decisions on communities and local economies. 2. Thurgood Marshall College Fund (TMCf) Scholar Selected for academic excellence, leadership potential, and commitment to community service. Participated in leadership training and career readiness programs that emphasize public service and ethical decision-making. 3. Road to Hire - Business & Technical Internship Program Completed a rigorous career development program focused on professional and technical skills including digital marketing, coding, data analytics, and business development. Gained experience in problem-solving and project management, which align with evaluating land use proposals and variances. 4. American Marketing Association - Student Member Engaged in professional development activities and learned to assess community needs through a marketing and strategic lens. Attended workshops and events that promoted data-driven decision-making, useful for assessing the impact of zoning adjustments. 5. Work Experience in High-Paced, Team-Oriented Environments (Puttery, Walmart) Developed strong organizational, collaboration, and communication skills by working in demanding service and retail roles. These experiences have built my capacity for attention to detail, effective communication, and adherence to guidelines—all critical when reviewing zoning and land use cases. 6. Volunteer & Community-Oriented Mindset Demonstrated through leadership activities, school engagement, and selection for scholarships focused on civic responsibility. I am passionate about supporting equitable and thoughtful community development.
