Re: Refund of Excise Tax

Dear Ms. Inman,

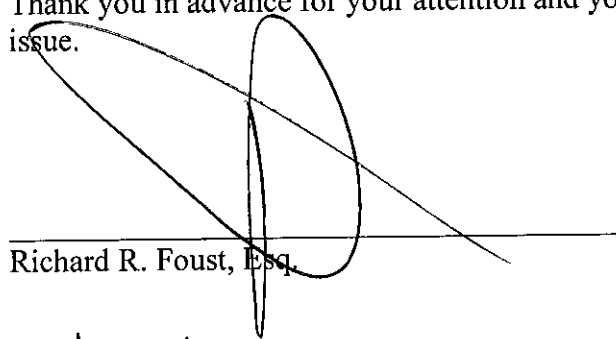

On Thursday, August 16, 2018, our office submitted a package to the Guilford County Register of Deeds office for recordation of a property deed and a Deed of Trust. Upon submission, the realization that this had been submitted to the wrong county was immediately noticed.

Our office proceeded to contact the Register of Deeds office and spoke with "Eric". We explained exactly what happened, at which time, he acknowledged that he 'just saw the package pop up on the computer' and he would immediately reject the package so that we may record in the correct county.

After waiting almost a half hour to receive the rejected package back, we were surprised to receive notice that it had, indeed, been recorded. The excise tax paid was \$298.00.

I respectfully ask that you put our request for a refund before the Guilford County Commissioners at the earliest date possible.

Thank you in advance for your attention and your help in obtaining a refund and resolving this issue.

Richard R. Foust, Esq.
