Letter of Support: Rock Creek Streambank Stabilization Project

Dear Mr. Bell

The City of Greensboro is willing to commit construction related resources to the project for the estimated duration of work, not to exceed 2 weeks. No overtime work will be committed.

Resources will include a construction crew, backhoe with operator and a dump truck with driver. Site management and direction of work activities to be provided by others.

Sincerely,

A handwritten signature in black ink, appearing to read "Adam Conn", with a long horizontal flourish extending to the right.
