To the Guilford County Board of Commissioners,

The Environmental Review Board is requesting exemption from the two (2) term limit for Ms. Sherry Stookey, QEP and recommending reappointment for another term. Ms. Sherry Stookey, QEP has regularly attended scheduled meetings and served as the chair of the Environmental Review Board from January 2009 to December 2009.

The Environmental Review Board provides a valuable, mandated service to Guilford County citizens. The level of skill and dedication required for this board presents a challenge when recruiting volunteers. We rely on seasoned members, such as Ms. Sherry Stookey, QEP, to provide the level of knowledge and experience to the board with over 30 years of experience in the environmental field that includes expertise in the air quality and knowledge of water quality, storm water, and hazardous and non-hazardous waste management and disposal.

Again, we respectfully request Ms. Sherry Stookey, QEP term limits waived and recommend her reappointment for another term on the Environmental Review Board.

Sincerely,

Frank Park, Board Liaison
