WORK EXPERIENCE

Guilford County DHHS Program Manager-Community Health Services
2006-2021

Prior experienced Program Manager/Director of Nursing with a demonstrated history of working in the government administration industry. Skilled in Microsoft Excel, Customer Service, Microsoft Word, Public Speaking, and Microsoft Office. Managed a 15-million-dollar budget with indirect and direct responsibility for 126 professional and para professional staff. Our team consisted of the School Health Nursing Program, Child Care Nursing, Care Management programs for the Elderly, Pregnant and Children age newborn to 5 years old, as well as the Family Connects Program that provided consenting universal newborn home visits to every newborn in Guilford County. I'm a strong healthcare services professional with a Master's degree focused in Nursing Administration.

Guilford County DHHS- Nursing Services Supervisor
1999-2006

Provide supervision to staff of registered nurses, health educators, dieticians and certified nursing assistants. We provided breast and cervical cancer screening services to qualified women. Assisted corporate and small businesses with setting up wellness programs for their employees. Provided health fairs and preventative services and programs in the community to faith-based organizations.

Guilford County DHHS-Public Health Nurse
1996-1999

Provided case management services to pregnant women with Medicaid. Assisted with prenatal services and provided post-partum assessments of mother and baby in the home setting.

Cone Health Women's Hospital- Charge Nurse Mother-Baby Unit
1991-1995

Provided clinical care to postpartum mother and baby in the hospital setting.
