Interests & Experiences

Why are you interested in serving on a board or commission?

I want to serve because I care about strengthening our community and believe my volunteer experience and organizational skills can help the commission deliver better programs and outreach. My background in nonprofit program management includes strategic planning and stakeholder engagement, which I'd apply to improving access and outcomes for under-served residents. I'm committed to attending meetings regularly, working collaboratively with other board members to help give back to the communities as well.
