## VI. CONSENT AGENDA

### A. BUDGET AMENDMENTS

1. [2026-242](#) APPROVE OPIOID SETTLEMENT FUND BUDGET AMENDMENT FOR SAIOP PROGRAM (FAMILY-FOCUSED RECOVERY PROGRAM)

**Background:**

On March 27, 2026, during the Board of County Commissioners Retreat, the Board approved an Opioid Settlement Spending Resolution to support the implementation of the Substance Abuse Intensive Outpatient Program (SAIOP), which represents Phase 2 of the Family-Focused Recovery (FFR) Program. This program will serve pregnant and parenting women with substance use disorders through structured outpatient treatment and wraparound support services.

The SAIOP program is designed to open and begin operations while the Gibson Park facility is under construction and continue operating once the residential facility is open. This will provide an important early component of the broader continuum of care under the FFR model. As outlined in the program materials, the SAIOP phase includes group-based treatment and support services, with the goal of improving recovery outcomes and family stability.

The Board-approved resolution authorizes the use of Opioid Settlement funds under Exhibit A, Strategy 3: Recovery Support Services, in the amount of \$186,432, effective April 1, 2026 through June 30, 2027. This agenda item formally appropriates the approved funding within the Opioid Settlement Fund to support program implementation.

## B. CONTRACTS

1. [2026-202](#) SOLE SOURCE AGREEMENT WITH IDEXX DISTRIBUTION CORPORATION

**Background:**

This agenda item requests approval of an agreement to acquire a CBC (complete blood count) analyzer and two SNAP Pro Analyzers for Animal Services through a purchasing commitment, with ownership transferring to the County at the end of the respective agreement terms. Currently, Animal Services is outsourcing CBC analysis to IDEXX. The purchase of the analyzer will allow staff to analyze CBC on location. The SNAP Pro Analyzers will allow automatic activation of SNAP tests for Canine and Feline Parvo, Giardia, Panleukopenia, Heart Worms, and tick borne illnesses; and Feline Leukemia Virus (FeLV) and Feline Immunodeficiency Virus (FIV). Based on current spending with IDEXX, this agreement will not require additional funding beyond what is currently budgeted for medical supplies.

G.S. 143-129(e)(6) provides that formal bidding requirements do not apply when a needed product is available from only one source or supply. IDEXX Distribution Corporation is the sole manufacturer of (1) ProCyt One Hematology Analyzer (provides reference-lab quality complete blood counts (CBCs) with a 5-part white blood cell differential in under 5 minutes. It uses laser flow cytometry to analyze 24 whole blood parameters for canine and feline patients) and (2) SNAP Pro Analyzer (automatically activates and times the SNAP test, interprets results and updates the pets records). IDEXX agrees to provide Animal Services with the equipment in exchange to purchase \$50,000 a year in qualifying affiliated products. The products required are already purchased from IDEXX on a yearly basis. This agreement will allow Animal Services to obtain all the equipment without purchasing it for over \$19,000.

**Requested Action:**

Approve a sole source agreement for the purchase of medical supplies from supplier, IDEXX Distribution Corporation, as authorized by the sole source purchasing exemption G.S.143-129(e)(6) for a not to exceed amount of \$50,000 annually for a six years' total of \$300,000.

2. [2026-220](#) NC SOIL AND WATER CONSERVATION SHARED PERSONNEL MUTUAL AID AGREEMENT

**Background:**

This agenda item establishes a mutual aid agreement with the North Carolina Association of Soil and Water Conservation Districts. By establishing pre-arranged agreements, SWCDs can share resources, enhance technical expertise, and provide localized support, including during natural disasters (e.g., Hurricane Helene in September 2024). Mutual aid assistance among Soil and Water Conservation Districts (SWCDs) is critical for accelerating disaster response, sharing specialized personnel and equipment, and reducing recovery costs. Recognizing the value of mutual aid and assistance for disaster recovery efforts, the delivery of employee technical training, and other mutually agreed-upon assistance, the Guilford Soil and Water Conservation District Board of Supervisors reviewed and unanimously approved the attached agreement at its October 1, 2025, February 4, 2026 Regular Meetings (attached), and approved a mutual aid agreement term of nine (9) years through June 30, 2035 at its May 6, 2026 regular meeting (draft minutes attached).

Counties are authorized to enter into such an agreement by NCGS 153A-11 and 160A-461 - 160A-464. Accordingly, implementation of such an agreement includes the NC Association of Soil and Water Conservation Districts (Association) developing and maintaining a Clearinghouse of resources consisting of a list of all participating Districts and Counties who have entered into such an agreement (see attached). The Clearinghouse includes an inventory of personnel, their acknowledged skill set, and the primary contact for each participating Soil and Water Conservation District. As such, the Association will provide from the Clearinghouse a list of resources to requesting SWCDs to assist cooperating Districts and Counties, as needed.

The attached agreement binds each District or County only to the extent resources are available, and the allowance of

shared resources is on a case-by-case basis. The Guilford Soil and Water Conservation District, with this agreement, acknowledges that each party receiving aid agrees to protect, defend, indemnify, and hold the other parties free and harmless (see Section 9 of the attached agreement).

**Requested Action:** Approve, in substantial form, the NC Soil and Water Conservation Shared Personnel Mutual Aid Agreement through June 30, 2035.

**Budget Impact:** **NO ADDITIONAL COUNTY FUNDS REQUIRED**

3. [2026-235](#) APPROVE INTERLOCAL AGREEMENT RENEWALS WITH CITIES AND TOWNS FOR ANIMAL SHELTER AND ANIMAL CONTROL SERVICES

**Background:**

This agenda item renews contracts between Guilford County and cities/towns to provide animal control and animal shelter services within the town limits of Greensboro, Jamestown, Oak Ridge, Pleasant Garden, Sedalia, Stokesdale, Summerfield, and Whitsett. The Town of High Point provides its own animal control services, but drops those animals off at the Animal Shelter. The High Point agreement is in discussion and will come before to the board at a later date.

The City of Greensboro is charged 50% of actual animal control expenses and towns pay a fixed rate of \$3.44 per resident. The county anticipates receiving revenue totaling \$1,080,814.

The details of the revenue up to an estimated amount are as follows:

Greensboro: \$956,458  
Jamestown: \$13,098  
Oak Ridge: \$29,002  
Pleasant Garden: \$17,477  
Sedalia: \$2,355  
Stokesdale: \$21,802  
Summerfield: \$38,577  
Whitsett: \$2,045

These Interlocal Agreements shall continue for three (3) years for Greensboro, Jamestown, Oak Ridge, Pleasant Garden, Sedalia, Stokesdale, Summerfield, and Whitsett from July 1, 2026 to June 30, 2029. All agreements are subject to final approval and any non-material revisions made by the County Attorney and the County Manager.

**Requested Action:** Approve a resolution ratifying and authorizing the execution of the Animal Shelter and Animal Control Services interlocal agreements, in substantial form as attached hereto, between Guilford County and the Cities and Towns of Greensboro, Jamestown, Oak Ridge,

Pleasant Garden, Sedalia, Stokesdale, Summerfield, and Whitsett, for a term of July 1, 2026 through June 30, 2029; unless terminated pursuant to the terms therein.

**Background:** This agenda item requests Board approval to approve, in substantial form, a one (1) year renewal, from 07/01/2026 to 06/30/2027, of the current EPL maintenance and service contract between Guilford County and Tyler Technologies Inc. for \$220,733. The system is used by several county departments including Inspections, Planning, Public Health (Environmental Health) and Emergency Services to streamline and optimize all aspects of inspections, permitting and planning review processes in order to deliver quality digital services to the community.

The annual software maintenance costs vary annually as additional software licenses, professional service, support, and maintenance are required. The costs for FY26, excluding tax, were \$210,222. The FY2027 renewal represents a 5% increase and funds for the contract renewal will be budgeted in the FY27 budget.

**Requested Action:** Approve, in substantial form, a one (1) year renewal, from 07/01/2026 to 06/30/2027, of the current EPL maintenance and service contract between Guilford County and Tyler Technologies Inc. for \$220,733.

## C. MISCELLANEOUS

1. [2026-240](#) FY26 APPLICATION FOR PUBLIC SCHOOL BUILDING CAPITAL FUND - NC EDUCATION LOTTERY DISTRIBUTION (\$4.75 MILLION)

**Background:**

This agenda item is for the approval of the FY26 application for the Public School Building Capital Fund from the NC Education Lottery distribution. The Guilford County Board of Commissioners and Guilford County Board of Education are required to submit an annual application for the distribution of Public School Building Capital Funds (PSBCF) - NC Education Lottery (NCEL). This requires approval by both Boards. The Board of Education approved the application on May 12, 2026, and now the Board of Commissioners' approval is required to formally apply.

Guilford County uses its share of lottery revenues to repay debt on bonds issued to build and renovate school facilities. The FY26 application is for the distribution of \$4.75 million for School Bond Referenda Debt Service. The original legislation that established the North Carolina Education Lottery directed 40% of lottery proceeds to counties for local school capital needs, including debt payments on school facilities. In 2010, the state changed the lottery legislation and reduced the amount of money provided to counties. If the original lottery legislation were still in effect, the county's share of lottery revenues would exceed \$12 million.

**Requested Action:** Approve the attached applications for the release of \$4.75 million from the PSBCF - NC Education Lottery.

**Budget Impact:** **NO ADDITIONAL COUNTY FUNDS REQUIRED**

2. [2026-247](#) RECOMMENDED ALLOCATION OF GUILFORD COUNTY JUVENILE CRIME PREVENTION COUNCIL (JCPC) FUNDS AND ANNUAL CERTIFICATION FOR FY2026-2027

**Background:**

North Carolina Department of Public Safety (NCDPS) has approved an annual allocation of \$1,289,575 for the Guilford County Juvenile Crime Prevention Council (JCPC) funding and up to \$85,000 in Guilford County funding to be included in the FY 2026-2027 budget. A request for proposal (RFP) for use of funds within Guilford County was issued to qualify and evaluate community-based programs targeting delinquent or gang involved youth (ages 10-17), or those at risk of juvenile court involvement. A copy of the RFP conducted for this budget is attached which was created based on the YASI (Risk & Needs) Data provided to the local JCPC by NCDPS to match services with local needs. Twenty-nine (29) programs responded, and twenty-two (22) programs met the minimum requirements of the RFPs. Following a review of the RFP and applications, the JCPC voted on April 23, 2026 in favor of funding the following allocation recommendation for FY 2026-2027.

The JCPC Administrative Program Application is being processed as a part of the annual Guilford County Juvenile Crime Prevention Certification for FY 2026-2027. The application shows that the Administrative annual budget is \$15,000, standards listed are true, membership information is accurate and lists terms / responsibilities under the agreement.

**Requested Action:**

Approve the Guilford County Juvenile Crime Prevention Council's (JCPC) recommended allocation, annual certification, and funding plan to be adopted with the FY 2026-27 annual budget and authorize staff to execute any program agreements for agencies approved by the state through North Carolina Department of Public Safety (NCDPS).

3. [2026-248](#) REVISED FUNDING PLAN FOR FY25-26 NORTH CAROLINA DEPARTMENT OF PUBLIC SAFETY (NCDPS) YOUTH FOCUS GRANT

**Background:** This agenda item seeks to approve releasing funds to return back to the NC Department of Public Safety (NCDPS) in the amount of \$27,008 and the associated funding plan. Guilford County administers pass through funds on behalf of NCDPS to Youth Focus. Youth Focus "HEARTH Transitional Living Program" is requesting to release and return underutilized funds back to the NCDPS. This request is as the result of 3rd Quarter Accounting expenditure calculations and to align with the actual expense needs during FY25-26. The total request to release funds back to NC DPS will be a total of \$27,008. This will also alleviate the potential need for refunds after Final Accounting calculations.

**Requested Action:** Amend the FY26 NCDPS Youth Focus Grant project to decrease the appropriation by \$27,008 with a decrease of \$27,008 in Federal/State Funds. The purpose of the report is to apprise the governing body of the progress of the tax collector in collecting taxes levied for the current fiscal year.

A. [2026-254](#) GUILFORD COUNTY SCHOOLS (GCS) CAPITAL PROJECT AMENDMENT: SHADYBROOK AND LINDLEY ELEMENTARY SCHOOLS

**Background:** Guilford County voters have approved a total of \$2.0 billion in school bond referendums to address school capital needs identified through a comprehensive facilities master plan jointly developed by the Guilford County Board of Education and Guilford County Board of Commissioners. Due to current and projected declining enrollment, the Katherine G. Johnson project has been paused, and transfer of a portion of its remaining approved ordinance funds to the Shadybrook Elementary and Lindley Elementary projects are recommended by district staff. This reallocation will provide sufficient resources to finish the design development phase at Shadybrook Elementary and to align with the received Guaranteed Maximum Price (GMP) for Lindley Elementary.

On April 14, 2026, the Guilford County Schools Board of Education (BOE) approved realigning \$3,000,000 in funds from Katherine G. Johnson K-8 School to Shadybrook Elementary. On May 12, 2026, the Guilford County Schools Board of Education (BOE) recommended increasing the allocation to Lindley Elementary by \$64,748,767 to align with the received Guaranteed Maximum Price (GMP). Lindley Elementary will allocate \$38,507,941 in funds from Katherine G. Johnson. The remaining \$26,240,826 in funds needed will be allocated from bond proceeds as part of the \$2.0 billion bond program.
