Interests & Experiences

Why are you interested in serving on a board or commission?

I would like to serve on the Juvenile Crime Prevention Council to help make a difference in the lives of youth, prevent crime, and reduce recidivism in our local community. As a member of this Council, I plan use my professional and volunteer experience to help enrich the lives of others in our community. With more than 20 years of experience in the addiction field and criminal justice system, I understand the unique challenge of working with individuals who are diagnosed with substance use disorders and are involved in the criminal justice system. As a lifetime member of Girl Scouts USA, I've served as a Brownie Troop Leader and Silver Award Consultant. I've also served on various committees for our local Peaks to Piedmont Council.
