County Commissioner District *☒ District 1

Interests & Experiences

Why are you interested in serving on a board or commission?

I am interested in continuing to serve with the Adult Care CAC as this gives me a different prospective on the aging population. I also enjoy speaking with the residents and listening to their stories regarding their lives at facility and listen to the residence reminisce about when they were home. I enjoy being the person the resident feels comfortable in talking to and confiding in while making sure their rights are protected.
