County Commissioner District *

☒ District 8

Interests & Experiences

Why are you interested in serving on a board or commission?

Why would I like to serve on the Health and Human Services Board. As I grow personally and professionally it is my due diligence to give back to my community to be a voice and be the change I want to see in My Guilford and World. Although I am a strong leader professionally, I do not take for granted I am a role model to my children and others around me. I am Vice Chair of Precinct 63. Myself and Ms. Alice helped organize our precinct which was left abandoned. So before I can change the world I have to be part of the change in My Guilford.
