## Interests & Experiences

### Why are you interested in serving on a board or commission?

I currently serve as the Chair of the High Point preservation Commission, and as Executive Director of Preservation Greensboro. In the past, the High Point and Guilford County commissions have shared appointees in order to strengthen the connection between the two. That connection is not present now, but I am glad to serve in that capacity and bring my knowledge of historic preservation in all of Guilford County back to the commission.
