N.C. General Statute § 143C-6-23. State Grant Funds: Administration; Oversight and Reporting Requirements.

(a) Definitions. – The following definitions apply in this section:

(1) Grant or grant funds. – State funds disbursed as a grant by a State agency; however, the terms do not include any payment made by the Medicaid program, the State Health Plan for Teachers and State Employees, or other similar medical programs.

(2) Grantee. – A non-State entity that receives State funds as a grant from a State agency but does not include any non-State entity subject to the audit and other reporting requirements of the Local Government Commission.

(3) Encumbrance. – A financial obligation created by a purchase order, contract, salary commitment, unearned or prepaid collections for services provided, or other legally binding agreement. A financial obligation is not an encumbrance for purposes of this section unless it (i) is in writing and has been signed by a person or entity who has authority to legally bind the grantee or subgrantee to spend the funds or (ii) was created by the provision of goods or services to the grantee or subgrantee by a third party under circumstances that create a legally binding obligation to pay for the goods or services.

(4) Subgrantee. – A non-State entity that receives State funds as a grant from a grantee or from another subgrantee but does not include any non-State entity subject to the audit and other reporting requirements of the Local Government Commission.

(b) Conflict of Interest Policy. – Every grantee shall file with the State agency disbursing funds to the grantee a copy of that grantee's policy addressing conflicts of interest that may arise involving the grantee's management employees and the members of its board of directors or other governing body. The policy shall address situations in which any of these individuals may directly or indirectly benefit, except as the grantee's employees or members of its board or other governing body, from the grantee's disbursing of State funds, and shall include actions to be taken by the grantee or the individual, or both, to avoid conflicts of interest and the appearance of impropriety. The policy shall be filed before the disbursing State agency may disburse the grant funds.

(c) No Overdue Tax Debts. – Every grantee shall file with the State agency or department disbursing funds to the grantee a written statement completed by that grantee's board of directors or other governing body stating that the grantee does not have any overdue tax debts, as defined by G.S. 105-243.1, at the federal, State, or local level. The written statement shall be made under oath and shall be filed before the disbursing State agency or department may disburse the grant funds. A person who makes a false statement in violation of this subsection is guilty of a criminal offense punishable as provided by G.S. 143C-10-1.

(d) Office of State Budget Rules Must Require Uniform Administration of State Grants. – The Office of State Budget and Management shall adopt rules to ensure the uniform administration of State grants by all grantor State agencies and grantees or subgrantees. The Office of State Budget and Management shall consult with the Office of the State Auditor and the Attorney General in establishing the rules required by this subsection. The rules shall establish policies and procedures for disbursements of State grants and for State agency oversight, monitoring, and evaluation of grantees and subgrantees. The policies and procedures shall:

(1) Ensure that the purpose and reporting requirements of each grant are specified to the grantee.

(2) Ensure that grantees specify the purpose and reporting requirements for grants made to subgrantees.

(3) Ensure that State funds are spent in accordance with the purposes for which they were granted.

(4) Hold the grantees and subgrantees accountable for the legal and appropriate expenditure of grant funds.

(5) Provide for adequate oversight and monitoring to prevent the misuse of grant funds. These policies shall require each grantee and subgrantee to ensure that, for accounting purposes, State funds and interest earned on those funds remain separate and apart from other funds in the possession or control of the grantee or subgrantee.

(6) Establish mandatory periodic reporting requirements for grantees and subgrantees, including methods of reporting, to provide financial and program performance information. The mandatory periodic reporting requirements shall require grantees and subgrantees to file with the State Auditor copies of reports and statements that are filed with State agencies pursuant to this subsection. Compliance with the mandatory periodic reporting requirements of this subdivision shall not require grantees and subgrantees to file with the State Auditor the information described in subsections (b) and (c) of this section.

- (7) Require grantees and subgrantees to maintain reports, records, and other information to properly account for the expenditure of all grant funds and to make such reports, records, and other information available to the grantor State agency for oversight, monitoring, and evaluation purposes.
- (8) Require grantees and subgrantees to ensure that work papers in the possession of their auditors are available to the State Auditor for the purposes set out in subsection (i) of this section.
- (9) Require grantees to be responsible for managing and monitoring each project, program, or activity supported by grant funds and each subgrantee project, program, or activity supported by grant funds.
- (10) Provide procedures for the suspension of further disbursements or use of grant funds for noncompliance with these rules or other inappropriate use of the funds.
- (11) Provide procedures for use in appropriate circumstances for reinstatement of disbursements that have been suspended for noncompliance with these rules or other inappropriate use of grant funds.
- (12) Provide procedures for the recovery and return to the grantor State agency of unexpended grant funds from a grantee or subgrantee (i) in accordance with subsection (f1) of this section or (ii) in the event that the grantee or subgrantee is unable to fulfill the purposes of the grant for a reason not set forth in that subsection.
- (d1) Required Grant Terms. – The terms of each grant shall include all of the following, which shall be deemed a part of the grant:
- (1) The limitation contained in G.S. 143C-6-8 concerning the availability of appropriated funds.

If the grant funds are a pass-through of funds granted by an agency of the United States, then the Office of State Budget and Management must consult with the granting agency of the United States and the State agency that is the recipient of the pass-through funds prior to taking the actions authorized by this subsection.
- (f1) Return of Grant Funds. – Except as otherwise required by federal law, a grantee or subgrantee shall return to the State all affected grant funds and interest earned on those funds if any of the following occurs:
- (1) The funds are in the possession or control of a grantee and are not expended, made subject to an encumbrance, or disbursed to a subgrantee by August 31 immediately following the fiscal year in which the funds are appropriated by the General Assembly, or a different period set forth in the terms of the applicable appropriation or federal grant.
 - (2) The funds remain unexpended at the time that the grantee or subgrantee dissolves, ceases operations, or otherwise indicates that it does not intend to spend the funds.
 - (3) The Office of State Budget and Management seeks to recover the funds pursuant to subsection (f) of this section.
- (f2) Use of Returned Grant Funds. – Encumbered funds returned to the State pursuant to subsection (f1) of this section by a grantee or subgrantee shall upon appropriation by the General Assembly be spent in accordance with the terms of the encumbrance. All other funds returned to the State by a grantee or subgrantee pursuant to subsection (f1) of this section shall be credited to the fund from which they were appropriated and shall remain unexpended and unencumbered until appropriated by the General Assembly.
