Dear Victor:

Enclosed for appropriate signatures are two copies of the Home and Community Care Block Grant Agreement (DOA-735) and the Preliminary County Funding Plan (DOA-731) for State Fiscal Year (SFY) 2026. Please note, allocations are subject to change. Numbers were prepared with the best-case scenario for SFY 26 based on information received from the NC Division of Aging. Please sign and return **one** copy of each document to the attention of Joseph Dzugan in the envelope provided. The allocation has been approved and recommended by your County Planning Committee. Adjustments will be made later in the fiscal year.

Please note: The Agreement (DOA-735) requires "wet signatures."

The timeliness of signing and returning the Agreement (DOA-735) and County Funding Plan (DOA-731) by August 25, will allow us to release checks at the end of August to the local county funded Home and Community Care Block Grant Partners.

Our entire team looks forward to working with you in the year ahead. We are available to visit you, your Board, and staff any time to discuss aging programs and services. Please contact me with questions.

Sincerely,

Adrienne Calhoun, Director  
PTRC Area Agency on Aging
