**Interests & Experiences****Why are you interested in serving on a board or commission?**

I served on this Board first as an alternate and then as a regular member for several years. I was on the Board during the 2022 Revaluation. Due to my experience during that revaluation time frame, Ben Chavis has requested that I stay on for this next revaluation. I feel my expertise will be an asset. My resume failed to upload. I will be glad to provide under a separate cover if you will supply me with an email address to send it to.
