## Why are you interested in serving on a board or commission?

---

I am interested in serving as a Jury Commissioner for Guilford County because I have a long-standing commitment to community service and public duty. With 30 years as a Guilford County employee, I am well-acquainted with the importance of civic roles in supporting our justice system. I have also dedicated time in various volunteer capacities, including working as a VIPS volunteer with the Guilford County Sheriff's Department, a Guardian Ad Litem for NC Courts, a mediator handling employee relations, a North Carolina Notary Public, and as a mentor with Big Brothers Big Sisters. Having previously served two terms as a Jury Commissioner, I am familiar with the responsibilities of this role and the impact it has on ensuring the fair selection of jurors in our county. I am motivated to continue contributing my skills and experience to uphold the integrity of the jury selection process, which is essential to the administration of justice in our community. This role aligns well with my dedication to volunteerism and my desire to give back to Guilford County. Thank you for considering my application to serve once more as a Jury Commissioner.
