Dear Adam and Anna Pegram,

Since we did not receive a garbage hauler license renewal request from you for operating in Guilford County, I assume you are no longer interested in that undertaking. Thank you for providing this service to Guilford County.

Your current license expires June 30, 2025. Per the Customer Bill of Rights (attached), your Guilford County customers must be notified at least thirty (30) days before services are discontinued. Again, thank you, and don't hesitate to contact me if you have any questions.

Sincerely,

Lorelei Elkins
