Why are you interested in serving on a board or commission?

I am interested in serving on the Board of Commissioners because I am deeply committed to advancing equitable public policy, strengthening community engagement, and supporting sustainable growth across Guilford County. With a background in public administration, higher education, and nonprofit leadership, I bring a multidisciplinary perspective that centers on collaboration, transparency, and outcomes-driven decision-making. I believe that local government plays a pivotal role in shaping the quality of life for all residents, and I am eager to contribute my experience and leadership to help address pressing community needs—whether related to education, economic development, housing, or public health.
