

Guilford County Sheriff's Office

Grant Item Break Down

From this grant, the GCSO will receive **\$79,326.00**. With the BOCC's approval, the GCSO will purchase the items identified below which will benefit multiple divisions within the Sheriff's Office. See attached Item Description Chart:

Specifically, items #1 and #2 will be used to help with the implementation of the Real Time Crime Center ("RTCC"). Item #3 will be used to train deputies responding to armed individuals and active shooter events. Item #4 will be used to replace an outdated camera system currently installed in GCSO's transportation vans. Item #5 will be used by the Sheriff's Emergency Response Team ("SERT") for training and actual emergency call outs. Item #6 will be used by the Underwater Recovery Team ("URT") to find evidence located in a body of water. Item #7 will be used to conduct undercover surveillance.
