

November 17, 2025

To the Guilford County Board of Commissioners,

The Guilford County Commission on Aging (GCCA) is requesting exemption from the two (2) term limit for Carolyn Biggerstaff and requesting reappointment for another term. Carolyn has served faithfully on this commission and continues to be a valuable participating member who rarely missed a meeting

The GCCA provides a valuable service to Guilford County citizens through their awareness and passion for ensuring older adults receive community-based services they need to remain independent. We rely on these experienced members to provide knowledge and information to other GCCA members in order to make sound decisions regarding the allocation and oversight of Home and Community Care Block Grant funding.

Again, we respectfully request the term limits for Carolyn Biggerstaff be waived and recommend their reappointment for another term on the Guilford County Commission on Aging.

Sincerely,

Bob Cleveland
