Interests & Experiences

Why are you interested in serving on a board or commission?

As Director of Special Programs at Goodwill Industries, where I have worked for six years, I am currently serving the justice-involved community through our Jobs On The Outside (JOTO) program. The typical age of those who enter this program is between 35 and 60 years old; they all have some type of criminal history. As an organization, we recognize the importance of becoming more involved and educated about programs available to adolescents who are involved in our justice system. By gaining a better understanding of such programs, our organization will be able to develop/initiate services and support the work of existing Juvenile Justice programs. Our objective is to decrease recidivism.
