

RECORD RETENTION POLICY:
Documents Created or Maintained Pursuant to the ARPA/CSLFRF Award

Retention of Records: The Coronavirus Local Fiscal Recovery Funds (“CSLFRF”) [Award Terms and Conditions](#) and the [Compliance and Reporting Guidance](#) set forth the U.S. Department of Treasury’s (“Treasury”) record retention requirements for the ARPA/CSLFRF award.

It is the policy of Guilford County to follow Treasury’s record retention requirements as it expends CSLFRF pursuant to the ARPA/CSLFRF award. Accordingly, Guilford County agrees to the following:

- Retain all financial and programmatic records related to the use and expenditure of CSLFRF pursuant to the ARPA/CSLFRF award for a period of five (5) years after all CLFRF funds have been expended or returned to Treasury, whichever is later.
- Retain records for real property and equipment acquired with CSLFRF for five years after final disposition.
- Ensure that the financial and programmatic records retained sufficiently evidence compliance with section 603(c) of the Social Security Act “ARPA,” Treasury’s regulations implementing that section, and guidance issued by Treasury regarding the foregoing.
- Allow the Treasury Office of Inspector General and the Government Accountability Office, or their authorized representatives, the right of timely and unrestricted access to any records for the purpose of audits or other investigations.
- If any litigation, claim, or audit is started before the expiration of the 5-year period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved.

Covered Records: For purposes of this policy, records are information, regardless of physical form or characteristics, that are created, received, or retained that evidence Guilford County’s expenditure of CSLFRF funds on eligible projects, programs, or activities pursuant to the ARPA/CSLFRF award.

Records that shall be retained pursuant to this policy include, but are not limited to, the following:

- Financial statements and accounting records evidencing expenditures of CSLFRF for eligible projects, programs, or activities.
- Documentation of rational to support a particular expenditure of CSLFRF (e.g., expenditure constitutes a general government service);
- Documentation of administrative costs charged to the ARPA/CSLFRF award;

- Procurement documents evidencing the significant history of a procurement, including, at a minimum, the rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for contract cost or price;
- Subaward agreements and documentation of subrecipient monitoring;
- Documentation evidencing compliance with the Uniform Guidance property management standards set forth in 2 C.F.R. § 200.310-316 and 200.329;
