Subj: Guilford County Commissioner Resolution of Support for City of High Point Grant Application

Dear Mr. Halford,

The City of High Point is applying for a grant from the North Carolina Local Assistance Stormwater Infrastructure Investment Fund in a shared effort with the Southwest Renewal Foundation.

To provide as strong an application as possible and to potentially increase the amount of any possible grant award, the City of High Point would like to request the Guilford County Board of Commissioners consider passing a resolution in support of the City's application. A draft resolution is attached for consideration.

There is no financial obligation to the County and this resolution simply shows support for the application and the project's intended purpose. In order to meet the grant application deadline, the resolution would need to be heard at the upcoming County Commissioner's meeting on September 15th. Mayor Pro Tem Monica Peters and Assistant City Manager Damon Dequenne will be present to answer any questions should the item be added to the agenda.

We appreciate your consideration and continued partnership. As always, please don't hesitate to reach out with any questions or concerns.

Kind regards,

A handwritten signature in black ink that reads "Tasha Logan Ford".
