Emergency Services Director Jim Albright presented the item and spoke to the inclusive and transparent process used to prepare the bid for services associated with evaluating the County's existing fire service needs. He reported that, ultimately, the study will return recommendations and action items for sustainable fire services in Guilford County.

Albright reviewed the RFP and committee used to select a consultant to complete the fire study assessment.

Albright reviewed the timeline of the study projecting six (6) to nine (9) months for completions.

Trapp questioned the contract amount.

Albright stated that the contract was for sixty-nine thousand dollars. He stated that the review will targeted to return specific actionable items that were outside of the scope of the 2011 study and subsequent policy recommendations.

Coleman questioned the timeline.

Albright stated no later than 9 months from approval of the contract and earlier if possible so that it is in line with the next budgetary cycle.

Coleman spoke to the challenges with the 2011 study and adoption of recommendations by the fire chiefs.

Albright stated that they have been very transparent with the chiefs and have thus far, have their support and understanding of the study.

Branson spoke to the water availability throughout the county and asked if this study would address those concerns.

Albright stated that the study will not address a solution to a comprehensive county wide water system, but rather that it will look at an impact to the rural water supplies. He stated that they are actively working with current extensions of water lines to address fire needs.

Motion was made by Commissioner Branson to Approve the contract, in substantial form, with Fitch and Associates, LLC (2901 Williamsburg Terrace, Suite G., Platte City, MO 64079-0170) in the amount of \$69,950 for a Fire Service Master Plan for the County, bid under event #502., and seconded by Commissioner Perdue.

VIII. COMMENTS FROM COMMISSIONERS

Commissioner Henning extended condolences to the Ray McCallister family in Mr. McCallister's recent passing.

Perdue noted his attendance at the High Point CVB and noted the amount of work that has taken place recently in High Point. He commended Dr. Queban with High Point University on their steady increase in enrollment.

Commissioner Coleman made note of a correction to the MWBE report that was provided at a prior meeting. She stated that the largest contract listed in the report was improperly classified and was not actually a MWBE business. She shared her disappointment that the County's MWBE participation rating was significantly lower than what was reported at the last meeting.

Commissioner Branson noted the upcoming ribbon cutting and grand opening of the Cascades Preserve and an upcoming community event to be held at Hagan Stone park: "Pickin' in the Park". Branson spoke to the handi-capped accessible amenities at Hagan Stone as well as the new pool and urged residents to venture out to the park.

Commissioner Trapp shared his recent attendance at a State Conference held by USDA regarding Food Stamp processing. He thanked staff for their participation as well and their efforts to put together an action plan based on information they learned during the conference.

Commissioner Conrad echoed his anticipation of the grand opening of the Cascades Preserve. He noted that for those who were able to attend there will be available parking at the Oak Ridge Town Hall. Conrad spoke to the upcoming Summerfield Founder's Day Parade on the 14th of May.

Commissioner Foster shared her attendance at the High Point CVB meeting and the exciting future of High Point University. Ms. Foster noted her recent experience with County staff both EMS and Public Health Inspectors and spoke to the quality of work and service that was provided. She commended Deputy Clerk Arianne Webb in her recent facilitation of two community forums hosted by the County on Safe and Secure Communities.

Commissioner Cashion congratulated Commissioner Conrad in his support of his fund raising events for cancer research.

Commissioner Coleman spoke to the passing of Mr. McAlister and his efforts with the NAACP. She expressed her condolences to the McAlister family.

Chairman Phillips spoke to the new school being built for Hunter Elementary. He shared his participation in events of National Day of Prayer today, May 5 and encouraged the Board to join him in participating next year. Phillips reminded the Board of the upcoming Salvation Army Boys and Girls Club reception.

Vice Chairman Branson spoke to the MPO - bike month events during the month of May.
