Dear Ms. Webb,

I am writing to you today to request that Mrs. Mary Lou Blakeney be allowed to continue to serve on the Guilford County Nursing Home Committee. As you know, this type of committee benefits greatly from seasoned members. Mrs. Blakeney is well versed in long-term care issues and helps all members in any way they need help. She is very helpful in recruiting new members as well as taking new appointees under her wing. The committee would not be the same without her and I hope that you will allow her to continue to serve the aging population.

Sincerely,

Karin Kiser
