RE: *Sedgefield Sanitary District Vacancy*

Dear Commissioners,

Please be advised that earlier this week we were notified by the Elections Department that Hub White, Sedgefield Sanitary District Commissioner, passed away on August 11, 2016. Pursuant to N.C.G.S. §130A-54, any vacancy in a sanitary district board shall be filled by the county commissioners until the next election for sanitary board members. Mr. White's term does not expire until November 2017.

Due to Mr. White's passing the Board will be asked to appoint his temporary replacement. After consulting with the County Attorney it is recommended that an appointment be made within the next 90 days; which would roughly be the end of October.

I have contacted Bob Stout, current Chairman of the Sanitary District to advise him of the next steps in the process. Mr. Stout has some recommendations for replacements for the Board to consider. Mr. Stout shared that due to his own medical conditions they have no upcoming meetings scheduled and that he can be reached, after Monday, at (828) 898-3150 or by email at stout@triad.rr.com

Staff will need direction as to how the board would like to solicit candidate information for consideration. Please let me know if you would like me to collect names from Mr. Stout, or if there is interest to solicit candidates through other means.
