Interests & Experiences

Why are you interested in serving on a board or commission?

I completed the Guilford County Citizen's Academy and felt empowered in addition it provided a superior confidence in my continuous efforts to impact our county's youth. I am passionate and have found purpose in assisting in the development of transforming today's youth into tomorrow's leaders. Being a fatherless father I understand the importance of guiding our youth and preparing our youth for their dreams and goals. "It is easier to build strong children than to rebuild broken men".
