Principal Place of Performance: The primary site where the work is performed**City:** Greensboro**ZIP Code:** 27401-2349**Abstract and Narrative**

Project Abstract (The Problem): Briefly describe project's purpose, identify target population, and discuss program components which address the identified problem. Include local statistics to substantiate the need.

The Guilford County Sheriff's Office seeks grant funding for equipment and overtime costs associated with covert operations pertaining to Human Trafficking cases in Guilford County.

Project Narrative (Operation): Include a description of how grant funded positions are integral to the project and how contractual, travel, operating, and equipment expenses will support the project. Discuss how you will collaborate with other agencies. Focus on the project – do not give agency history, do not repeat abstract.

The operation of this project relies on funding in equipment and overtime. Covert surveillance cameras or "Pole Cams" are necessary to put in and around a location where suspected trafficking is transpiring. This project seeks to purchase 2 pole cams for this purpose. The second piece of this project relies in overtime for officers involved in undercover operations. Funding for these officers will include overtime and fringes which are impacted by overtime to include retirement, FICA, and worker's comp. The operation of this covert project relies upon both surveillance equipment as well as overtime funding to enable undercover officers to investigate and execute operations to document evidence and arrest those involved in human trafficking within Guilford County. Further, victims will be referred to Guilford County's Family Resource center and trained professionals to address their immediate needs.

Project Narrative Summary: Please provide additional information about your project application.

This project is summarized by establishing a covert operational plan that includes surveillance and undercover operations targeted at incidents of human trafficking within Guilford County. This operation may include multi-jurisdictional efforts as well as coordination with the Guilford County Family Justice Center to assist the needs of the victims of the trafficking.

Project Timeline of Activities:

January 2017: Grant Award February 2017: Acceptance-approval by Guilford County Board of Commissioners March-December: Establish multi-jurisdictional partnerships (where applicable)-engage in covert/surveillance and undercover operations.
